Re: **Electric Power Supplier Initial License**
Docket No. EE21020106L

Dear Ty Benefiel:

In accordance with the Electric Discount and Energy Competition Act of 1999, N.J.S.A. 48:3-49 et seq., at its May 5, 2021 Agenda meeting, the New Jersey Board of Public Utilities (the "Board") voted to issue the Electric Power Supplier License, numbers ESL-0252, to MeterGenius, Inc. d/b/a Hero Power. Pursuant to signed bill S.604 (2018) [P.L. 2019, c. 100], your license may be renewed without expiring so long as a license renewal fee accompanied by an annual information update form is submitted to the Board within 30 days prior to your annual **anniversary date of May 5th**.

This license is effective May 5, 2021. This license and the rights thereunder are **Non-Transferable**.

This letter is not an endorsement of, nor is it intended for use in, the marketing promotions of the licensee. Licensees shall comply with all applicable laws and regulations, including the Electric Discount and Energy Competition Act, which prohibits the unauthorized change of a customer's energy provider and other fraudulent and illegal marketing activities.

If you have any questions, please contact Darren Erbe at (609) 292-1406.

Sincerely,

Aida Camacho-Welch
Secretary of the Board
