<sup>1</sup> Some children may be served by both CP&P and CSOC and are over-represented in the final count of children served in the month.

<sup>2</sup> The definition for "Youth Open with CSOC" reflects youth who are involved and eligible to receive services through CSOC.

<sup>&</sup>lt;sup>3</sup> FCP measures clients served in SBYSP and DV Services. Since Family Success Centers and Home Visitation programs report data in terms of families served, each family is assumed to have at least one client.

<sup>&</sup>lt;sup>4</sup> DoW measures clients served in SAARC and Displaced Homemakers. RPE measures doses or activities provided and does not allow for an unduplicated count of clients served.

<sup>&</sup>lt;sup>5</sup> Families served by DCF includes CP&P families and FCP families. FCP families served data has a one month lag.

<sup>&</sup>lt;sup>6</sup> CSOC Children may receive multiple services and are counted multiple times.

<sup>&</sup>lt;sup>7</sup> FCP quick facts are based on new clients/families. DoW quick facts are based on new and ongoing clients/families served.

<sup>&</sup>lt;sup>8</sup> The cumulative number of human trafficking referrals between November 2013 and January 2015 was 144.

OAS Quick Facts Youth 18-21					
Youth 18-21 years old served by CP&P <sup>₄</sup>					
Youth served "In Home" living with a parent/relative or living independently⁵					
Youth served "Out	-of-Home"				
	Family Based Setting	(55%)	413		
	415				
	Independent Living	(19%)			
Youth Receiving A	doption or KLG Subsidy		727		

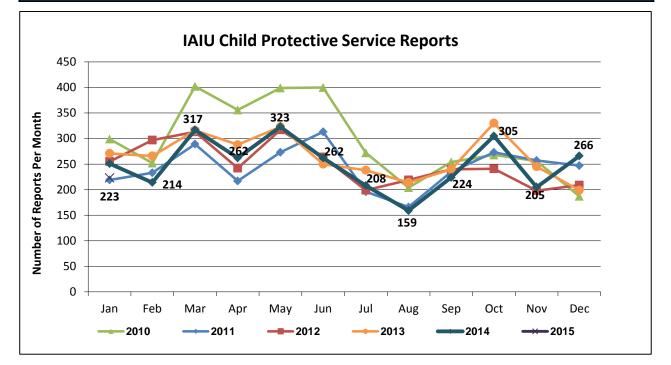

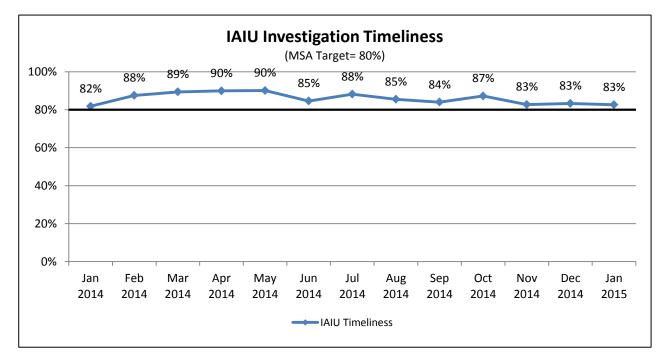

[4] The data includes all 18-21 year olds who are active participants in an open CP&P case as of the end of the month.

[5] The terms "out-of-home" and "in-home" may not be appropriate for all 18-21 year olds. Youth identified as "in-home" can either be residing with a parent/relative, or living independently. Any of these youth may be receiving services. These definitions are currently being reviewed to better understand how we capture DCF's work with this population. The goal of this ongoing work is to create three meaningful categories for 18-21 year olds 1) Youth in a formal out-of-home placement setting, 2) Youth that achieved permanency, and 3) Youth that never achieved permanency.
