Others participating: Ellen DeRosa, Executive Director; Rosaria Lenox, Managing Financial Officer; Eleanor Heck, Deputy Attorney General.

I. Call to Order

E. DeRosa called the meeting to order at 10:01 A.M. She announced that notice of the meeting was provided to three newspapers of general circulation and the State House Press Corps, and posted at the Department of Banking and Insurance (“DOBI”), on the DOBI website, and at the Office of the Secretary of State in accordance with the Open Public Meetings Act.

E. DeRosa noted that, pursuant to P.L. 2020, c. 2, as a result of the state of emergency and public health emergency declared by Governor Murphy on March 9, 2020 through Executive Order 103, as subsequently extended,¹ due to the COVID-19 pandemic, the SEH Board’s regularly scheduled meeting is being held entirely telephonically rather than at the Board’s offices in Trenton. She stated that, in accordance with P.L. 2020 c. 11, electronic notice of the meeting and the means by which the public could attend the meeting telephonically was posted on the Board’s website, and issued electronically to all known interested parties.

E. DeRosa determined that a quorum was present, and that voting would be by roll call.

Members of the public were asked to identify themselves, and are listed at the end of these minutes.

There were no public comments.

III. Minutes of February 16, 2022

T. Pownall made a motion, seconded by M. Koller, to approve the minutes of the meeting of February 16, 2022 without amendment. By roll call vote, the motion carried.

¹ Pursuant to N.J.S.A. 26:13-3(b), a Public Health Emergency lasts for 30 days unless extended, while States of Emergency declared in accordance with N.J.S.A. App A:9-33 et seq. remain in effect until declared ended by a subsequent executive order. The Public Health Emergency was continuously extended through multiple executive orders until E.O. 244 (Murphy), issued June 4, 2021, declared the Public Health Emergency ended. However, Governor Murphy has not yet ended the State of Emergency established by E.O. 103 (Murphy). Thus, the Board continues to meet remotely, and public access is limited to telephonic means. (E.O. 280, issued January 11, 2022, resulted in another Public Health Emergency due to COVID-19, which remains in effect pursuant to E.O. 288, issued February 10, 2022.)

IV. Staff Report – Expenses; Enrollment Data

Expense Report

R. Lenox presented the expenses for February totaling \$1,242.90. R. Lenox recommended transferring the expense amount from the Board's Money Market account to its Checking account, both in Wells Fargo, to pay the expenses, if approved.

G. Cupo made a motion, seconded by H. Ames to approve payment of the reported expenses, and transfer of \$1,242.90 from the Board's Wells Fargo Money Market account to the Board's Wells Fargo Checking account in order to make the payments. By roll call vote, the motion carried.

4Q2021 Enrollment Data

E. DeRosa noted the 4Q enrollment (296,334 lives) declined very slightly (2800 lives) as compared to the 3Q enrollment (299,134 lives). With no information indicating whether or how employers may have previously secured coverage it is not possible to determine whether any of the new enrollments during 4Q may have previously been covered under the bankrupt MEWA. The Board noted the minimal enrollment through the SHOP.

V. Public Comments
