SUBJECT: Electronic Submission of Special Education Requests for Due Process and Mediation

Beginning July 1, 2016, the Office of Special Education Programs (OSEP) will accept requests for due process and mediation electronically using an OSEP-maintained and monitored email address. The newly created email address will be used exclusively for the submission of petitions and will not be used to communicate with the parties or their representatives. Completed petitions must be saved as Adobe PDF documents and submitted as an attachment to an email sent to: <u>osepdisputeresolution@doe.state.nj.us</u>. Adobe Acrobat Reader is document reader software that is available for free download at: <u>https://get.adobe.com/reader/</u>.

Existing dispute resolution policies will not change. Specifically, requests must be completed and signed by the adult student or by the minor student's parent(s) or legal guardian(s). Completed petitions must be served upon the opposing party. Consistent with existing policy, OSEP will not accept attachments or exhibits to petitions, and therefore those items should not be included in petitions submitted by email. Allowing electronic submission of petitions will streamline the dispute resolution process; provide ease of access to petitioners; and will improve program efficiency.

More information about electronic submission of petitions for due process and mediation is available on our website at: <u>http://www.state.nj.us/education/specialed/due/</u>. Should you have any questions or require additional information, please contact Dominic Rota at 609-984-1286.
