7. **TRANSPORTATION OF PATIENT.**

The Facility shall have the responsibility for arranging transportation of the patient to the Hospital, including selection of the mode of transportation and providing appropriate health care practitioner(s) to accompany the patient, as necessary. The Hospital's responsibility for the patient's care shall begin in accordance with the obligations set forth in Emergency Treatment and Active Labor Act ("EMTALA") 42 U.S.C.A. 1395dd(a) and the regulations promulgated thereto in carrying out the terms of this Trauma Transfer Agreement.

- B. As a condition of maintaining a working relationship, both Institutions agree that all Patient Health Information (PHI) shall remain confidential and shall be protected by appropriate safeguards to prevent the use or disclosure of the PHI, other than as provided for by this Trauma Transfer Agreement or by State and Federal law. Under the conditions of this Agreement, no PHI received or provided by either Institution may be used by or disclosed to a third-party except for as consented to by the patient for purposes of treatment, payment, or health care operations and as otherwise required by State and Federal law.
- C. Upon becoming aware of any use or disclosure of PHI in a manner not provided for in this Trauma Transfer Agreement or by satisfied law, the Institution shall report the disclosure to the other Party. The Institution will strive to mitigate, to the extent practicable, any harmful effect that is known to the Institution of a use or disclosure of PHI in violation of its policies and procedures or the requirements of this Agreement.
- D. Both Institutions recognize the right of patients to amend their consent to disclosure and therefore will make available the PHI to the other Institution in accordance with an amended consent.

Neither Party, by virtue of this Agreement, assumes any liability for any debts or obligations of either a financial or a legal nature incurred by the other Party to the Agreement. No Party shall have the right to exercise any control or direction over the business of any other Party to this Trauma Transfer Agreement.

12. NO LIABILITY.

Except as specifically identified herein, each Party agrees to be solely responsible for its own acts or omissions in the performance of its duties hereunder and shall be financially and legally responsible for all liabilities, costs, damages, expenses and attorney fees resulting from, or attributable to, any and all such acts or omissions; provided, however, that a Party shall not be responsible to the extent of the other Party's negligence or willful misconduct or breach of this Trauma Transfer Agreement. Nothing herein should be considered an indemnification by one Party to the other Party.

13. INSURANCE.

- B. In the event that either Party shall have its accreditation, operating certificate or licensure suspended, limited or revoked, it shall immediately notify the other Party of that fact in writing and this Trauma Transfer Agreement shall terminate immediately upon such event
- C. Either Party shall have the right to terminate this Trauma Transfer Agreement immediately in the event that the performance by either Party of any term, covenant condition or provision of this Trauma Transfer Agreement should jeopardize the accreditation of Hospital, violates any licensing or other requirement, or performance would violate any statute, or for any reason be deemed illegal.
- D. Either Party may terminate this Trauma Transfer Agreement giving thirty (30) days written notice of termination to the other Party. Termination of this Trauma Transfer Agreement shall not affect either parties' rights or obligations with respect to patients transferred prior to the date of any notice to terminate.

16. **OTHER PROVISIONS:**

- A. Non-Discrimination. Each Institution agrees that, in performance of this Trauma Transfer Agreement, services will be provided without discrimination toward any patient, employee or other person regardless of their race, creed, color national origin, sex, sex orientation, blindness or ethnic background.
