Dear Lifeline Beneficiary:

Do you need health care you cannot afford?

New Jersey Care ...Special Medicaid Programs includes a new program designed to help certain aged, blind and disabled persons qualify for complete health care coverage under Medicaid.

As a Lifeline beneficiary you may qualify if you can meet the program's income and asset requirements.

A SINGLE PERSON MUST HAVE MONTHLY INCOME THAT IS AT OR BELOW \$480 AND ASSETS THAT ARE AT OR BELOW \$3,800.

A COUPLE MUST HAVE MONTHLY INCOME THAT IS AT OR BELOW \$644 AND ASSETS THAT ARE AT OR BELOW \$5,700.

If you own your home and a car, you may still be eligible for this New Jersey Care program.

If your income is too high for you to qualify for this New Jersey Care program, you still may be able to receive some Medicaid coverage from another New Jersey Care program for medically needy individuals; however, you must apply for it.

#### EXAMPLES OF INCOME ARE:

- Social Security income
- pensions, annuities
- interest or dividends
- legal settlements
- public or private disability compensation
- veterans' benefits

#### EXAMPLES OF ASSETS ARE:

- money in bank accounts
- stocks, bonds or certificates of deposit
- trust funds or retirement accounts
- some life insurance policies

If you are married, your spouse's income may be considered.

If you live in another's household, the value of food or shelter received at reduced cost may be counted as income.

Your Medicare Part B premium, if deducted from your Social Security check, will be counted as income.

Certain monies which you have set aside for burial are not counted as an asset.

(over)

If you qualify, New Jersey Care will cover these services:

- physician (doctor)
- home health services
- prescribed drugs from a pharmacy (including limited over-the-counter)
- medical day care
- personal care assistant services
- eyeglasses, hearing aids, and orthopedic shoes
- dentist
- podiatrist (foot care)
- hospital (inpatient and outpatient)
- nursing home services, including skilled and intermediate care

In addition, the State will pay your Medicare Part B monthly premium which is \$24.80, as well as for many other health services not covered by Medicare.

APPLICATIONS FOR THE NEW JERSEY CARE PROGRAM MUST BE MADE IN PERSON AT THE WELFARE AGENCY/BOARD OF SOCIAL SERVICES IN THE COUNTY WHERE YOU LIVE.
