**NOTICE TO MOTOR VEHICLE DEALERS REGARDING ALLOWED METHODS OF
COMMUNICATION WITH CUSTOMERS**

February 9, 2009

To All New and Used Vehicle Dealers:

On January 13, 2008, Assembly Bill No. 4338 was signed into law as P.L. 2007, c. 335, amending various statutes, including N.J.S.A. 39:10-19.1 to now include the permitted use of telephones, telephone call-forwarding, email, internet websites or other internet communications which allow a licensed dealer or dealership employee to communicate with customers while either the customer, the dealer or the employee thereof is not present at the licensed physical location of the dealership provided the contract for sale of a vehicle is finalized and the transaction completed at the licensed location

The amendment to the law, authorizing these means of communication, became effective February 12, 2008. Questions related to this Notice may be directed to the Business Licensing Services Bureau, at (609) 292-6500 X 5014.
