EXECUTIVE DIRECTOR'S REPORT

Director Rendeiro said that we did originally intend to have Delanco on the agenda today. There were a couple of things that still need to be resolved before we are done. We will at this point have it for the next meeting. The presentation today will be on Willingboro and that will be moving the Burlington County municipalities forward still.

NEW BUSINESS

RECOMMENDATION FOR PLAN ENDORSEMENT: Township of Willingboro

Director Rendeiro referred the Township of Willingboro presentation to Lisa Avichal.

Director Rendeiro said that one quick update we heard from Commissioner Harris this morning was that there was one small typo in the recommendation report where it said that Route 30 is the main highway serving Willingboro; it's route 130, which we will correct for the record. Thank you.

Tom Stanuikynas, Regional Planning Manager from the Burlington County Bridge Commission said that I want to speak on behalf of Mayor McIntosh and the business administrator Walter Howard. They have worked really hard to get to this point. They've been a pleasure to work with, Willingboro Township hosted our regional visioning meeting which was very successful a couple of months ago. Willingboro Township is an overburdened community. As you can see from the chart that Lisa showed us, their population is declining. And we're working hard with them to hope that they can take advantage of the benefits and technical assistance that this program offers. I want to thank Willingboro, Lisa, Donna and this is number seven out of 12 on the Route 130 corridor, and hopefully, we can have a few more and get them all endorsed by the March date. Thank you.

With no further comments from the Committee or the public, Chairwoman Robinson asked for a motion to move the recommendation request for Plan Endorsement of the Township of Willingboro to the SPC. Danielle Esser made the motion; Nick Angarone seconded the motion. All were in favor to move the recommendation for Plan Endorsement of the Township of Willingboro to the SPC.

ADJOURNMENT

With no further comments from the Committee or the public, Chairwoman Robinson asked for a motion to adjourn. The motion was made by Danielle Esser and seconded by Nick Angarone. All were in favor. The meeting was adjourned at 9:51 a.m.
