Dear Ms. Meade:

This letter will serve as the Town of Newton's formal request for a waiver of the 2 year term requirement for designation as an interim center. As part of this request Newton also is seeking an extension of the action plan deadlines. Newton has been working towards accomplishing the action plan and feels this should be accomplished within the next six to twelve months. The Town has a draft of its updated zoning ordinances and will soon have a draft of revised site plan and subdivision ordinances to address environmental ordinances required. The master plan updates still outstanding will be addressed in the next budget year because of budget concerns.

Should you have any questions please feel free to contact me at (973) 383-3521, ext. 226.

Sincerely,

Debra J. Millikin
Deputy Town Manager
Town of Newton
