TOWNSHIP OF MIDDLE,
COUNTY OF CAPE MAY,
STATE OF NEW JERSEY

ORDINANCE NO. 1247-07

AN ORDINANCE OF THE TOWNSHIP OF MIDDLE,
COUNTY OF CAPE MAY AND STATE OF NEW JERSEY
ADDING A SECTION TO THE ORDINANCE TITLED
"STORMWATER CONTROL" AT SECTION 218-73.1

WHEREAS, The Township of Middle, in order to meet the requirements imposed upon it by the State of New Jersey, and also to provide better flood control measures, provide better groundwater recharge opportunities, and to reduce pollution in groundwater, the Township of Middle desires to require that Best Management Practices be utilized in certain situations, and therefore hereby amends its ordinance to add such requirements; and

NOW, THEREFORE, BE IT ORDAINED by the Township Committee of the Township of Middle, County of Cape May and State of New Jersey, that a new section be added to the ordinance as follows:

LOCAL ORDINANCE SECTION 218-73.1 - STORMWATER BEST MANAGEMENT PRACTICES
AND STORMWATER CONTROL

SECTION 1: SCOPE AND PURPOSE

A. Policy Statement

Flood control, groundwater recharge, and pollutant reduction through nonstructural or low impact techniques shall be explored before relying on structural Best Management Practices (BMPs). Structural BMPs should be integrated with nonstructural stormwater management strategies and proper maintenance plans. Nonstructural strategies include both environmentally sensitive site design and source controls that prevent pollutants from being placed on the site or from being exposed to stormwater. Source control plans should be developed based upon physical site conditions and the origin, nature, and the anticipated quantity or amount of potential pollutants. Multiple stormwater management BMPs may be necessary to achieve the established performance standards for water quality, quantity, and groundwater recharge.

B. Purpose

It is the purpose of this ordinance to establish minimum stormwater management requirements and controls for "major development," as defined in Section 2.

C. Applicability

1. This ordinance shall be applicable to all site plans and subdivisions for the following major developments that require preliminary or final site plan or subdivision review:
 - a. Non-residential major developments; and

are hereby repealed, to the extent of such conflict or inconsistency.

SECTION 3. Should any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remaining portions of this ordinance shall not be affected thereby and shall remain in full force and effect, and to this end the provisions of this ordinance are hereby declared to be severable.

SECTION 4. This ordinance shall become effective immediately upon final passage and publication, according to law.
