Re: State Plan Endorsement

Dear Ms. Rendeiro:

In response to your letter of October 3, 2019, the City of Vineland does want to pursue redesignation of our regional center by entering the plan endorsement process.

While we had started the process years ago by submitting all our documents, it is my understanding that we will need to begin with a pre-petition meeting. I would like to request that we not begin until the first of the New Year because our planning staff and consultant are trying to wrap up zoning ordinance revisions triggered by our master plan re-examination, which was adopted last December.

We look forward to resuming our dialogue with the State to coordinate our planning efforts.

Sincerely,

Anthony R. Fanucci  
Mayor, City of Vineland
