Re: Route 166 South Toms River Boat Slip Encroachments

Greetings:

It has been brought to the Department's attention that you have a number of boat slips which abut the State's highway. The Department has not given you permission to place those slips at that location along our highway.

We hereby demand that you immediately remove all slips encroaching upon the riparian waters adjoining the State's highway, remove all associated structures from the highway embankment and repair any damages to the highway embankment caused by the installation of pilings or other structures.

Should you have any questions, please feel free to contact me by phone at 609-530-5596 or by email at David.Kook@dot.state.nj.us.

Sincerely,

David Kook
