deviations due to changes in materials or construction techniques. Any such deviations must be shown as necessary to fulfill the purpose of the proposed project and must be consistent with the Master Plan.

**Description of the authorized project:** NJDOT undertook emergency in-kind replacement of the "Farmers" bridge over the Delaware and Raritan Canal in the vicinity of State Highway Route 29 milepost 20.5 (canal mileage chart 5.18) opposite the 1744 Richard Holcombe House in Delaware Township, Hunterdon County (1680 State Highway Route 29/ Block 59, Lot 11). The Richard Holcombe House and adjoining farm are listed on the State Register of Historic Places (ID# 4637).

The emergency repairs undertaken by NJDOT replaced damaged timber decking and rotted timber rails and wingwall caps. NJDOT has stated that the repairs were in-kind and did not impact existing clearances with respect to the underside of the deck. NJDOT has stated in its submission that the project activities are included within the current *List of Undertakings Which Have Limited or No Effect on Cultural Resources in New Jersey*: Number 20, and No. 21, respectively.

**Permit Conditions:** The project allowed by this authorization shall comply with the following conditions. Failure to comply with these conditions shall constitute a violation of the "Delaware and Raritan Canal State Park Law of 1974" (N.J.S.A. 13:13A-1 et seq.).

1. This authorization is valid for five years from the date of this letter unless more stringent standards are adopted by rules prior to this date.
2. The project as described shall be constructed and/or executed in conformity with the application.
3. No change in plans or specifications shall be made except with prior written permission from the Commission.
4. The permittee shall allow the Commission the right to inspect the construction site and shall provide the Commission with written notification 7 days prior to the start of the authorized work.
5. A complete, legible copy of this permit shall be kept at the work site and shall be exhibited upon request of any person.
6. The issuance of this permit shall not be deemed to affect in any way other actions by the Commission on any future application.
7. The Delaware and Raritan Canal is used as a raw water source for several water companies downstream, and as such, water quality and flow shall be maintained.
8. If work in the canal is required, the NJDOT shall following any recommendation by the New Jersey Water Supply Authority (NJSWA) that such work shall be conducted during times of low flow through the canal.
9. During the work, the contractor shall ensure that no debris, soil or vegetation from the work shall fall, drop, be placed or dumped in the canal. The applicant shall ensure

- that a boom or other method is employed to contain any debris in the canal and remove any debris from the water.
10. It shall be the contractor's responsibility to ensure that all debris caused by the work is removed from the canal.
  11. The contractor shall not pierce or puncture the clay liner or the bed of the canal.
  12. The NJDOT shall periodically inform and update the NJSWA on the status of the work schedule for the project.
  13. Access to the canal, towpath and adjacent NJSWA buildings for NJWSA personnel shall be maintained.
  14. Any damage to the canal caused by the contractor or any subcontractor shall be repaired to the satisfaction of the NJSWA.
  15. The NJDOT shall obtain a Special Use Permit from the Superintendent of the D&R Canal State Park.
  16. The contractor shall obtain general liability insurance in the amount of \$1 million, which shall list the State of New Jersey, the Department of Environmental Protection, the Division of Parks and Forestry, the State Park Service and the NJWSA as additionally insured.
  17. When available, NJDOT shall provide the name of the contractor undertaking the project to the Commission, NJWSA and the State Park Superintendent.
  18. The contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend and save harmless the State of New Jersey and its employees from and against any and all claims, demands, suit, actions, recoveries, judgements, costs and expenses in connection therewith on account of the loss of life, property or injury or damage to the person, body, or property of any person or persons whatsoever, which shall arise from or result directly or indirectly from work performed in connection with this permit. The indemnification obligation is not limited by, but is in addition to, the insurance obligation contained in this permit.

**Expiration Date:** August 30, 2023.

**Appeal of Decision:** In accordance with N.J.A.C. 7:45- 7.1, any person who is aggrieved by this decision may request a hearing within 30 days of the date of decision.
