# FILING INFORMATION

- Your filing status and gross income determine whether you have to file a tax return.
- Age is not a factor in determining whether a person must file. Even minors (including students) and senior citizens must file if they meet the income filing requirements.
- *Gross income* means reportable income after exclusions but before personal exemptions and deductions are subtracted. It does not include nonreportable (exempt) benefits. See page 15 to find out which types of income are not reportable.
- Members of the Armed Forces (and their spouses) see page 6 for additional information.
- Compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey income tax. See page 4 for more information.

Use the following chart to determine whether you must file a tax return. This chart is a guide only and may not cover every situation. If you need assistance, contact the Division's Customer Service Center (609-292-6400).

Who Must File <sup>†</sup> You must file a New Jersey income tax return if – Your residency status is:	your filing status is:	and your gross income from everywhere was more than:
<ul> <li>Nonresident — File Form NJ-1040NR as a nonresident if:</li> <li>New Jersey was not your domicile (permanent legal residence); and you spent 183 days or less here; OR</li> </ul>	Single Married/CU partner, filing separate return	\$10,000 (from all sources)
<ul> <li>New Jersey was not your domicile, you spent more than 183 days here, but you did not maintain a <i>permanent*</i> home here.</li> <li>You may also be considered a nonresident for New Jersey income tax purposes if you were domiciled in New Jersey and you met all three of the following conditions for the entire year:         <ol> <li>You did not maintain a <i>permanent</i> home in New Jersey; and</li> <li>You did maintain a <i>permanent</i> home outside of New Jersey; and</li> <li>You did not spend more than 30 days in New Jersey.</li> </ol> </li> </ul>	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 (from all sources)
Part-Year Resident — File Form NJ-1040 as a part-year resident if: You met the definition of resident for only part of the year.	Single Married/CU partner, filing separate return	\$10,000 from all sources (for the entire year)
Note: Both part-year resident (Form NJ-1040) and part-year nonresident (Form NJ-1040NR) returns may have to be filed when a part-year resident receives income from New Jersey sources during the period of nonresidence.	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 from all sources (for the entire year)
Full-Year Resident — File Form NJ-1040 as a full-year resident if:  New Jersey was your domicile for the entire year; OR	Single Married/CU partner, filing separate return	\$10,000 (from all sources)
<ul> <li>New Jersey was not your domicile, but you maintained a permanent* home in New Jersey for the entire year and you spent more than 183 days in New Jersey. (Members of the Armed Forces stationed here and their spouses/civil union partners who are not domiciled in New Jersey are not residents under this definition.)</li> </ul>	Married/CU couple, filing joint return Head of household Qualifying widow(er)/ surviving CU partner	\$20,000 (from all sources)

<sup>\*</sup> A home (whether inside or outside of New Jersey) is not permanent if it is maintained only during a temporary or limited period for the accomplishment of a particular purpose. Likewise, a home used only for vacations is not a permanent home.

## You Also Need to File a Return if:

- ♦ You had New Jersey income tax withheld and are due a refund.
- ♦ You paid New Jersey estimated taxes for 2012 and are due a refund.

## Other Filing Information

Married/Civil Union Couples and Filing Status. If both you and your spouse/ civil union partner were nonresidents of New Jersey during the entire taxable year, and only one of you earned, received, or acquired income from New Jersey sources, the spouse/civil union partner who had income from New Jersey sources may file a separate New Jersey return even if a joint Federal return was filed. The spouse/civil union partner with income from New Jersey sources computes income and exemptions as if a Federal married, filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be reported in Column A of Form NJ-1040NR.

If one spouse/civil union partner was a nonresident and the other a resident of New Jersey during the entire taxable year and both had income from New Jersey sources, separate New Jersey returns may be filed (the nonresident files a nonresident return and the resident files a resident return). Each computes income and exemptions as if Federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but remember, joint income would be taxed as if both were residents.

Domicile. A domicile is any place you regard as your permanent home—the place to which you intend to return after a period of absence (as on vacation abroad, business assignment, educational leave, etc.). A person has only one domicile, although he or she may have more than one place to live. Once established, your domicile continues until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey.

A place of abode, whether inside or outside of New Jersey, is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose (e.g., temporary job assignment). If New Jersey is your domicile,

### TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers—individuals and businesses alike—are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

#### Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

#### Appeals—

• Time to appeal to the Tax Court is generally 90 days.

#### Interest on Refunds—

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see our publication ANJ-1, *New Jersey Taxpayers' Bill of Rights*.

you will be considered a resident for New Jersey tax purposes *unless* you meet all three conditions for nonresident status (see "Who Must File" on page 3). Likewise, if New Jersey is not your domicile, you will only be considered a New Jersey resident if you maintain a permanent home and spend more than 183 days here.

New Jersey Residents Working/Living Abroad. If New Jersey is your domicile and you are considered a New Jersey resident for tax purposes (see "Who Must File" on page 3), you are subject to tax on income from all sources (worldwide income) regardless of where you are living. New Jersey resident individuals living abroad are subject to the same income tax filing and payment requirements, including the requirement to make estimated tax payments (see "Estimated Tax" on page 10), that apply to individuals living in New Jersey.

### Pennsylvania Residents

Income From New Jersey. As a result of the Reciprocal Personal Income Tax Agreement between the Commonwealth of Pennsylvania and the State of New Jersey, compensation paid to Pennsylvania residents employed in New Jersey is not subject to New Jersey income tax.

Compensation means salaries, wages, tips, fees, commissions, bonuses, and other remuneration received for services rendered as an employee.

If New Jersey income tax was withheld from your wages, you must file a New Jersey nonresident return to obtain a refund. To stop the withholding of New Jersey income tax, complete a New Jersey Employee's Certificate of Nonresidence in New Jersey (Form NJ-165) and give it to your employer.

The Reciprocal Agreement covers compensation only. If you are self-employed or receive other income (for example, gain from sale of property) which is taxable in both states, you must file a New Jersey nonresident return and report the income received.

**Column A.** Complete Column A, Lines 14 through 26, showing income from everywhere.

Column B. When Pennsylvania residents complete Column B, employee compensation from New Jersey sources should not be included on Line 14. For Pennsylvania residents Line 14, Column B, is zero, so enter "0."

Pennsylvania Residents - continued

**Withholdings.** If New Jersey income tax was withheld, enter the amount from your W-2(s) on Line 45.

Signed Statement. Pennsylvania residents employed in New Jersey who had New Jersey income tax erroneously withheld must enclose a signed statement declaring the following, "Under penalties of perjury, I affirm that I am a resident of the Commonwealth of Pennsylvania and that, pursuant to an agreement existing between the Commonwealth and the State of New Jersey, I claim exemption from payment of New Jersey gross income tax on compensation paid to me in the State of New Jersey. I understand that under the agreement between Pennsylvania and New Jersey this information is available to the Commonwealth of Pennsylvania."

## Guidelines for Part-Year Nonresidents

Filing Requirements. Any person who became a resident of New Jersey or moved out of this State during the year, and whose income from all sources for the entire year is greater than \$20,000 (\$10,000 if filing status is single or married/CU partner, filing separate return), must file a **resident** return and report that portion of the income received while a resident of New Jersey. A person who receives income from a New Jersey source while a nonresident, and whose income from all sources for the entire year exceeds \$20,000 (\$10,000 if filing status is single or married/CU partner, filing separate return), must file a New Jersey nonresident return, even though the income from New Jersey sources reported for the period of nonresidence was below these thresholds

## Part-year nonresidents must prorate all exemptions, deductions, and credits, as well as the pension and other retirement income exclusions, to reflect the period covered by each return.

If your income for the entire year from all sources was \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), no tax is due. You must enclose a copy of your Federal income tax return or a statement to that effect if you did not file a Federal return.

### **AVOIDING COMMON MISTAKES**

Check the following items to avoid delays in processing returns and refunds.

- ✓ Name, Address, and Social Security Number should be checked for accuracy. Be sure your social security number appears on all documents submitted with your return. Also indicate your state of residency in the space provided.
- ✓ **Use correct form** for your tax situation. See the "Who Must File" chart on page 3.
- ✓ Use only blue or black ink when completing forms.
- ✓ **Read instructions** carefully before completing your return.
- ✓ You may not report a loss on Form NJ-1040NR.
- ✓ Use "STATE WAGES" figure(s) from Box 16 of your W-2(s), NOT Federal wages figure(s). If you received wages from sources outside New Jersey, this figure may need to be adjusted to reflect New Jersey tax law.
- ✓ Enclose all W-2(s) with your return. Also enclose 1099-(R)s and 1099-MISC(s) that indicate NJ Withholdings.
- ✓ **Report estimated payments** made in connection with the sale or transfer of real property in New Jersey on Line 46, NOT on Line 45.
- ✓ Complete both Column A and Column B, Lines 14–26.
- ✓ **Locate the correct column** for your filing status in the Tax Table when calculating tax on Line 38.
- ✓ **Request a refund** by completing Line 56.
- ✓ Enclose all necessary forms, schedules, and other documents with your return. See page 45.
- ✓ Check your math.
- ✓ **Sign and date your return.** Both spouses/civil union partners must sign a joint return.
- ✓ Enclose a copy of death certificate and check the box below signature line if refund is due and you want check to be issued in name of surviving spouse or estate. See page 9.
- ✓ Send only one return per envelope.
- ✓ **Keep a copy of your return** and all supporting documents or schedules.
- ✓ **Changes or mistakes** to your original return may be corrected by filing an amended return. See page 10.

**NOTE:** If you derived any income while a resident of New Jersey, it may also be necessary to file a New Jersey resident return. Any withholdings should be allocated between the resident and nonresident returns. For more information, see Form NJ-1040, New Jersey resident return and instructions.

## Line 14 - Wages

**Column A.** Enter your wages from sources both inside and outside New Jersey for your period of nonresidence.

**Column B.** Enter your wages from New Jersey sources for your period of nonresidence (unless you were a Pennsylvania resident).

### **Other Income**

**Column A.** Enter your interest, dividends, pensions, and all other income from sources both inside and outside New Jersey for your period of nonresidence. Partners and shareholders should see Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*, for instructions on reporting distributive share of partnership income and net pro rata share of S corporation income.

**Column B**. Enter only the income from New Jersey sources for your period of nonresidence. Part-year nonresident partners and, in general, S corporation shareholders, must prorate the entity's income based on the number of days in

Part-Year Nonresidents - continued

the entity's fiscal year that you were a nonresident divided by 365 (366 for leap years).

Line 27a - Pension Exclusion. If you were a New Jersey nonresident for only part of the taxable year and had total income from all sources for the *entire year* of \$100,000 or less before subtracting any pension exclusion, you may qualify for a pension exclusion if you meet the other eligibility requirements. If you qualify, prorate the exclusion by the number of months you were a New Jersey nonresident. For this calculation 15 days or more is a month.

**Column B.** No entry is necessary.

Line 27b - Other Retirement Income Exclusion. If you (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your prorated pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Do not complete Worksheet D on page 24 to calculate the total exclusion amount you are eligible to claim. Instead, calculate your total exclusion as follows:

Part I. Total the earned income (wages, net profits from business, partnership income, and S corporation income) you received from all sources for the *entire year*. If your earned income for the entire year was \$3,000 or less and you did not use your entire *prorated* pension exclusion at Line 27a, you may be able to use the unclaimed pension exclusion at Line 27b provided total income from all sources for the entire year before subtracting any pension exclusion was \$100,000 or less.

Part II. If you are unable to receive Social Security or Railroad Retirement benefits, but would have been eligible for benefits had you fully participated in either program, you may also be eligible for an additional exclusion, whether or not you used all of your *prorated* pension exclusion at Line 27a.

For more information, see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

#### **Line 30 - Total Exemption Amount.**

Your total exemptions must be prorated based upon the number of months you were a New Jersey nonresident. For this calculation 15 days or more is a month.

Total Exemptions  $\times \frac{\text{Mos. NJ Nonresident}}{12}$  = Line 30

See the instructions for Line 30 on page 25 to calculate the "total exemption" amount to be prorated.

Lines 31, 32, 33, 34 and 35 - Deductions. You may deduct medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, and qualified conservation contributions based on the actual amounts paid for the period of time you were a nonresident of New Jersey. Complete Worksheet E for medical expenses. See page 26. In addition, eligible taxpayers may qualify for a prorated Health Enterprise Zone (HEZ) deduction. Taxpayers with business losses may also be eligible for an alternative business calculation adjustment based on the business income (losses) reported during their period of nonresidence.

Part II - Allocation of Wage and Salary Income Earned Partly Inside and Outside New Jersey. If you must complete Part II, use the total number of days for your *period of nonresidence*. For more information on part-year nonresidents, see Tax Topic Bulletin GIT-6, *Part-Year Residents*.

## Guidelines for Military Personnel

Residents. A member of the Armed Forces whose home of record (domicile) is New Jersey when entering the service remains a resident of New Jersey for income tax purposes, and must file a resident return, Form NJ-1040, even if assigned to duty in another state or country, unless he or she qualifies for nonresident status (see chart on page 3). If you are a New Jersey resident, you are subject to tax on all your income, including your military pay, regardless of where it is

earned, unless the income is specifically exempt from tax under New Jersey law. Mustering-out payments, subsistence and housing allowances are exempt.

Military pensions are exempt from New Jersey gross income tax, regardless of age or disability status. See instructions for Line 21 on page 19.

A member of the Armed Forces whose home of record is New Jersey and who is stationed outside the State (whether living aboard ship or in barracks, billets, apartment, or house) and does not intend to remain outside New Jersey, continues to be a resident and must file a resident return and report all taxable income. However, if a serviceperson pays for and maintains facilities such as an apartment or a home outside of New Jersey, either by out-ofpocket payments or forfeiture of quarters allowance, such facilities will constitute a permanent home outside of New Jersey. In this case, the serviceperson is not considered a New Jersey resident for tax purposes.

Nonresidents. A member of the Armed Forces whose home of record (domicile) is outside of New Jersey does not become

a New Jersey resident when assigned to duty in this State. A nonresident service-person's military pay is not subject to New Jersey income tax. As a result, nonresident servicepersons should not report their military pay on the wages line in *either* Column A (Amount of gross income everywhere) or Column B (Amount from New Jersey sources) on Form NJ-1040NR. Mustering-out payments, subsistence and housing allowances are also exempt.

A nonresident serviceperson is not required to file a New Jersey income tax return unless he or she has received income from New Jersey sources other than military pay. A nonresident serviceperson who has income from New Jersey sources such as a civilian job in off-duty hours, income or gain from property located in New Jersey, or income from a business, trade, or profession carried on in this State must file a New Jersey nonresident return, Form NJ-1040NR.

Military Personnel - continued

If your permanent home (domicile) was New Jersey when you entered the military, but you have changed your state of domicile or you satisfy the conditions for nonresident status (see chart on page 3), then your military pay is not subject to New Jersey income tax. File Form DD-2058-1 or DD-2058-2 with your finance officer to stop future withholding of New Jersey income tax. If New Jersey income tax was erroneously withheld from your military pay, you must file a nonresident return (Form NJ-1040NR) to obtain a refund of the tax withheld and enclose a statement explaining how you satisfied the conditions for nonresident status.

**TA ★ TIP** Spouses/Civil Union Partners of Military Personnel. Under the Fed-

eral Military Spouses Residency Relief Act (P.L. 111-97), a military servicemember's nonmilitary spouse/civil union partner is allowed to keep a tax domicile while moving from state to state, as long as he or she moves into a state to be with a spouse/civil union partner who is in the state on military orders. Nonmilitary spouses/civil union partners (of military personnel) who were not domiciled in New Jersey when they married the military spouse or entered into the civil union are not considered residents of New Jer-

- The principal reason for moving to this State was the transfer of the military spouse/civil union partner; and
- The nonmilitary spouse/civil union partner maintains a domicile in another state; and
- The nonmilitary spouse/civil union partner intends to leave New Jersey when the military spouse/civil union partner is transferred or leaves the service.

Under the Military Spouses Residency Relief Act, a nonmilitary spouse/civil union partner who meets these requirements is not subject to New Jersey gross income tax on income (wages) earned from services performed in this State. If you are a nonmilitary spouse/civil union partner whose wages are exempt from New Jersey gross income tax, file

Form NJ-165, Employee's Certificate of Nonresidence in New Jersey, with your employer to stop future withholding of New Jersey income tax. You must notify your employer if conditions for the withholding exemption no longer apply. If New Jersey income tax was withheld or estimated payments were made in error, vou must file a nonresident return (Form NJ-1040NR) to obtain a refund and enclose a statement explaining how your wages are exempt under the Military Spouses Residency Relief Act along with a copy of your spousal military identification card. Print MILITARY SPOUSE at the top of the return.

The Military Spouses Residency Relief Act applies only to income (wages) from services performed by a nonresident civilian spouse/civil union partner of a servicemember. Nonresident civilian spouses/civil union partners are subject to New Jersey gross income tax on all other types of income earned from New Jersey sources (e.g., income from a business carried on in this State, gain from sale of property located in New Jersey) and must file a New Jersey nonresident return if required. See "Who Must File" on page 3. Wages earned in New Jersey by a nonresident civilian spouse/civil union partner who lives outside the State are also subject to New Jersey gross income tax and must be reported as income from New Jersey sources in Column B of Form NJ-1040NR. A nonresident civilian spouse/civil union partner who lives outside New Jersey may not use Form NJ-165 to claim an exemption from New Jersey gross income tax withholding on wages earned in this State as the nonmilitary spouse/civil union partner of a servicemember.

New Jersey law requires that a married couple's filing status for New Jersey gross income tax purposes be the same as for Federal income tax purposes, unless they are a civil union couple. A married couple filing a joint Federal return must file a joint return in New Jersey. However, if both are nonresidents and only one had income from New Jersey, that spouse/ civil union partner may file a separate New Jersey return. Another exception to this rule is when one spouse/civil union

partner is a New Jersey resident and the other is a nonresident for the entire year. In this case, the resident may file a separate return unless both agree to file jointly as residents. If a joint resident return is filed, their joint income will be taxed as if both were residents.

**Extensions.** Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces. See "Military Extensions" on page 8.

Death Related to Duty. When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no income tax is due for the taxable year the death occurred, nor for any earlier years served in the zone or area.

For more information on military personnel (and the rules affecting their spouses), see Tax Topic Bulletin GIT-7, Military Personnel.

### When to File

In general, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 2012 New Jersey income tax return is due by April 15, 2013. Fiscal year filers must file their New Jersey income tax return by the 15th day of the fourth month following the close of the fiscal year.

**Postmark Date.** All New Jersev income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

#### **Extension of Time to File**

An extension of time is granted only to file your New Jersey income tax return. There is no extension of time to pay tax due. We will notify you only if your extension request is denied, but not until after your return is actually filed. Penalties and interest are imposed whenever tax is paid after the original due date.

Extension of Time to File - continued

#### Six-Month Extension

You may receive a six-month extension of time to file your New Jersey nonresident income tax return. An application for an extension of time to file is accepted only if at least 80% of the tax liability computed on your Form NJ-1040NR when filed is paid in the form of withholdings, estimated, or other payments by the original due date, and

- 1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the box at the top of the NJ-1040NR is checked (or your confirmation number is entered in the space provided at the top of Form NJ-1040NR if the extension application or payment was filed online or by phone); or
- 2. No Federal extension filed. You file a request for a six-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied, but not until after your return is actually filed.

**NOTE:** If a Federal extension is filed, Form NJ-630 must still be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

**Civil Union Couples.** Civil union partners filing a joint return must either provide copies of the Federal extension application (or confirmation number) for both partners, or they must file Form NJ-630.

If you fail to satisfy the requirements outlined for an extension, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 11.

You will find an application for extension (Form NJ-630) at the front of this booklet. Do not use the preprinted Form NJ-630 if you filed a joint return last year and this year you are filing your return using only your own social security number or

you are filing a joint return with a different person. Or, you can file an extension application online until April 15 at www.state.nj.us/treasury/taxation/.

### **Military Extensions**

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces.

A person on active duty with the Armed Forces of the United States, who may not be able to file timely because of distance, injury, or hospitalization as a result of this service, will automatically receive a six-month extension by enclosing an explanation with the return when filed.

Combat Zone. New Jersey allows extensions of time to file income tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area which has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by Federal statute. Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return. Enclose a statement with your return to explain the reason for the extension.

In addition, if you are hospitalized outside of the State of New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

Qualifying military and support personnel, as defined above, are granted an extension of time for paying tax for the period of combat service or hospitalization, plus 180 days.

Enclose a statement of explanation with your return when you file. No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension is also granted to a taxpayer's spouse/civil union partner who files a joint return.

## **How to Pay**

The balance of tax due must be paid in full by the original due date of the return. If you owe less than \$1, no payment is required. You may make your payment by check or money order, electronic check (e-check), or credit card.

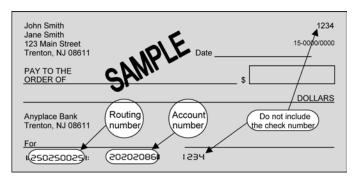

Check or Money Order. You will find a payment voucher (Form NJ-1040NR-V) at the front of this booklet. If you owe tax and are sending the payment with your 2012 return, enter the amount of tax due in the boxes on the payment voucher. Do not make changes to any information preprinted on the payment voucher. Instead, make any necessary changes on the NJ-1040NR. Do not use the preprinted payment voucher if you filed a joint return last year and this year you are filing your return using only your own social security number or you are filing a joint return with a different person.

Make check or money order payable to: **State of New Jersey** – **TGI.** Write your social security number on the check or money order. For a joint return use social security numbers of both husband and wife/civil union partners in the same order the names are listed on the return. Send your payment for the balance due with the payment voucher in the same envelope with your tax return. For information about mailing forms, see "Where to Send Your Return" on page 9.

If you are paying a balance due for the 2012 tax year and are making the first installment of estimated tax for 2013, please use separate checks or money orders for each payment. Send your 2013 estimated tax payment with an NJ-1040-ES voucher to the address on that payment voucher. Do not include the estimated tax payment with your 2012 income tax return.

Electronic Check (e-check). You may be able to pay your 2012 New Jersey income taxes or make a payment of estimated tax for 2013 by e-check. This option is available on the Division's Web site (www.state.nj.us/treasury/taxation/). Taxpayers who do not have Internet access can make a payment by e-check by contacting the Division's Customer Service Center at 609-292-6400. Do not send in the payment voucher if you pay your taxes by e-check.

How to Pay - continued

You will need your bank's 9-digit routing number and your account number to make a payment by e-check. Do not enter the check number as part of the account number.

Note: The routing and account numbers may be in different places on your check.

When using e-check on the Web, you will need your social security number and date of birth to make a payment. Be sure the social security number you enter matches the first social security number shown on the form for which you are making the payment, and the date of birth you enter is the date of birth for that person.

#### NOTE

- If you do not enter your social security number and date of birth properly, you will not be able to pay by e-check.
- (2) If you are filing a New Jersey return for the first time, or your filing status is different than the filing status on your 2011 return, you may not be able to pay by e-check.
- (3) E-check payments made using an account that is funded from a financial institution outside the United States will not be accepted.

Credit Card. You may pay your 2012 New Jersey income taxes or make a payment of estimated tax for 2013 online (www.state.nj.us/treasury/taxation/), and use a Visa, American Express, MasterCard, or Discover credit card. Do not send in the payment voucher if you pay your taxes by credit card.

#### **Time Limit for Assessing Additional**

**Taxes.** The Division of Taxation has three years from the date you filed your income tax return or the original due date of the return, whichever is later, to send you a bill for additional taxes you owe. There is no time limit if you did not file your tax return, or if you filed a false or fraudulent return with the intent to evade tax. The time limit may be extended if:

 You amended or the IRS adjusted your Federal taxable income;

- You amended your New Jersey taxable income;
- You entered into a written agreement with the Division extending the time to make an assessment;
- You omitted more than 25% of your gross income on your New Jersey income tax return; or
- You were issued an erroneous refund as a result of fraud or misrepresentation by you.

### Where to Send Your Return

Use the envelope contained in your packet to mail your NJ-1040NR along with related enclosures, payment voucher, and check or money order for any tax due. **Send only one return per envelope.** 

#### Mail Your Return to:

STATE OF NEW JERSEY
DIVISION OF TAXATION
REVENUE PROCESSING CENTER
PO BOX 244
TRENTON NJ 08646-0244

### Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is \$1 or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. To get a refund, you generally must file your return within three years from the date the return was due (including extensions). If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

**Interest Paid on Refunds.** If the Division takes more than six months to send you your income tax refund, you have a right to receive interest on that refund.

Interest at the prime rate, compounded annually, will be paid from the *later* of:

- the date the refund claim was filed;
- the date the tax was paid; or
- the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies, the Internal Revenue Service, or another claimant state or city that has a personal income tax set-off agreement with New Jersey be deducted from your refund or credit before it is issued. These debts include, among other things, money owed for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund or credit to any of these debts, you will be notified by mail.

## **Deceased Taxpayers**

If a person received income in 2012 but died before filing a return, the New Jersey income tax return should be filed by the surviving spouse/civil union partner or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property). Use the same filing status that was used on the final Federal income tax return, unless the decedent was a partner in a civil union. If filing a joint return, write the name and address of the decedent and the surviving spouse/civil union partner in the name and address fields. If a joint return is not being filed, write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name. **Do not** prorate exemptions or deductions unless the decedent was a part-year resident. The due date for filing is the same as for Federal purposes. If a personal representative has been appointed, that person must sign the return in his or her official capacity. If a joint return is being filed, the surviving spouse/civil union partner must also sign. If no personal representative has been appointed, the surviving spouse/civil union partner signs the return and writes "Filing as Surviving Spouse" or "Filing

Deceased Taxpayers - continued

as Surviving Civil Union Partner" in the signature section. If no personal representative has been appointed and there is no surviving spouse/civil union partner, the person in charge of the decedent's property must file and sign the return as "personal representative."

TAX TIP

Check the box below the signature line and enclose a copy of the decedent's

death certificate only if there is a refund due and you wish the check to be issued to the decedent's surviving spouse/civil union partner or estate.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income or gain is included on Line 25 as "Other" income.

### **Estates and Trusts**

#### Filing Requirements for Estates and

**Trusts.** The fiduciary of an estate or trust may be required to file a New Jersey gross income tax return for that estate or trust. The return for an estate or trust must be filed on a New Jersey Fiduciary Return, Form NJ-1041. The fiduciary must also provide each beneficiary with a New Jersey Schedule NJK-1 which shows the beneficiary's share of the estate or trust income actually distributed or required to be distributed during the taxable year.

Revocable grantor trusts are required to file a New Jersey Fiduciary Return, Form NJ-1041, where there is sufficient nexus with this State and the statutory filing requirement is met. For further information, see the Fiduciary Return, Form NJ-1041, instructions.

### Filing Requirements for Beneficiaries.

The net income earned by an estate or trust does not retain its character, i.e., interest, partnership income; rather it is a specified income category – "Net Gains or Income Derived Through Estates or Trusts." You must report as net income from estates or trusts the Total Distribution and New Jersey Source Income reported on your Schedule NJK-1, Form NJ-1041

and include it on Line 25, Other Income. If a Schedule NJK-1 was not received, the interest, dividends, capital gains, business or partnership income, etc. listed on your Federal K-1 must be adjusted to reflect New Jersey tax law and then netted together before inclusion on the "Other" income line. Enclose a copy of your NJK-1 or Federal K-1 with your return.

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. See instructions for Line 25 on page 22 for reporting requirements.

## **Partnerships**

A partnership is not subject to gross income tax. Individual partners are subject to tax on the income they earned from the partnership under the Federal Internal Revenue Code and the New Jersey Gross Income Tax Act. See page 22 for information on reporting income from a partnership. Every partnership having a New Jersey resident partner or income from New Jersey sources must file New Jersey Form NJ-1065 with the New Jersey Division of Taxation by the 15th day of the fourth month following the close of the partnership's taxable year. For more information on partnership filing, see Form NJ-1065 and instructions

### **Estimated Tax**

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting withholdings and other credits.

You are required to make estimated tax payments using Form NJ-1040-ES

when your estimated tax exceeds \$400. Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 2013.

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4. Failure to file a Declaration of Estimated Tax or to pay all or part of an underpayment *will result in interest charges* on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should obtain Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts, and instructions. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Be sure to check the box at Line 43 and enclose Form NJ-2210 with your return.

For more information see Tax Topic Bulletin GIT-8, *Estimating Income Taxes*.

#### Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended tax return by completing a new NJ-1040NR and writing AMENDED across the top. If you are amending an item of income, deduction, or credit that requires a supporting schedule or form, you must enclose the applicable schedule or form. If your original return was filed electronically, enclose *all* supporting schedules or forms (W-2, NJK-1, etc.) that you would have enclosed if you had filed the original return on paper — including those that support items that are not being amended. Do not use Form NJ-1040X to amend a nonresident return

### Changes in Your Federal Income Tax.

If you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due. If you file an amended Federal return which changes your New Jersey taxable income, you must file an amended New Jersey return within 90 days.

## **Accounting Method**

Use the same accounting method for New Jersey gross income tax that you used for Federal income tax purposes. Income

Accounting Method - continued

must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

## Rounding Off to Whole Dollars

When completing your return and any accompanying schedules, you may show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents when adding the items and round off only the total. When entering the rounded total on the line, you may eliminate any amount under 50 cents and increase any amount 50 cents or more to the next higher dollar. If you do round off, do so for all amounts. When rounding, enter zeros in the space provided for cents.

## Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

#### **Late Filing Penalty**

5% per month (or fraction of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. A penalty of \$100 for each month the return is late may also be imposed.

#### **Late Payment Penalty**

5% of the outstanding tax balance may be imposed.

#### Interest

3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

#### **Collection Fees**

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of 10% of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

## **Signatures**

Sign and date your return in blue or black ink. Both husband and wife/civil union

partners must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing.

Preparer Authorization. Because of the strict provisions of confidentiality, Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. If, for any reason, you want a Division of Taxation representative to discuss your tax return with the individual who signed your return as your "Paid Tax Preparer," we must have your permission to do so. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," check the box above the preparer's signature line.

Tax Preparers. Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter his or her social security number or Federal preparer tax identification number. Include the company or corporation name and Federal identification number, if applicable. A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

**NOTE:** Preparers that reasonably expect to prepare 11 or more individual gross income tax resident returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns for which an electronic filing option is available. At this time, there is no electronic filing option available for a New Jersey fiduciary return, Form NJ-1041 (or Form NJ-1041SB for a small business trust). Although the fiduciary returns are currently not filed electronically, preparers must include the number of fiduciary returns they expect to prepare when determining whether they must file all other returns electronically. A tax preparer is liable for a penalty of \$50 for each return he or she fails to file electronically when required to do so.

## **Keeping Tax Records**

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later

## **Privacy Act Notification**

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible.

## Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

#### Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$7,500 or imprisonment for a term between three and five years or both.

### Name and Address

Place the peel-off label from the front of this booklet in the name and address section at the top of the return. **Do not** use the label if any of the information is incorrect. If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address, and zip code in the spaces provided. Also include your spouse's/civil union partner's name if filing jointly. Your refund and next year's form will be sent to the address you provide. If your legal residence and the address on the return differ, enclose a statement of explanation to avoid a delay in processing.

## **Social Security Number**

Your social security number(s) is not printed on your name and address label. You must enter your social security number(s) in the space provided on the return. If your filing status is married/CU couple, filing joint return, remember to report both filers' numbers in the order in which the names are listed on the return.

If you (or your spouse/civil union partner) do not have a social security number, file Form SS-5 with the Social Security Administration to apply for one. Taxpayers who are not eligible for a social security number must file Form W-7 with the Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). Enter on Form NJ-1040NR the same number (social security number or ITIN) that you entered on your Federal income tax return. If you (or your spouse/ civil union partner) applied for but have not received an ITIN by the return due date, enclose a copy of your Federal Form W-7 application with your New Jersey income tax return.

**NOTE:** A copy of Form W-7 (or W-7A) cannot be used in place of a valid social security number, ITIN, or ATIN for a dependent when completing Line 13, Dependents' Information.

## State of Residency

Indicate the place outside New Jersey where you resided for the period covered by this return.

## NJ Residency Status

If you were a New Jersey resident for any part of the taxable year, list the month, day, and year your residency began and the month, day, and year it ended.

## Filing Status (Lines 1-5)

In general, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes, unless you are a partner in a civil union. Indicate the appropriate filing status. Check **only** one box.

TAX TIP

Partners in a civil union recognized under New Jersey law **must file** their

New Jersey income tax returns using the same filing statuses accorded spouses under New Jersey Gross Income Tax Law. Civil union partners may not use the filing status single. Any reference in this booklet to a spouse also refers to a partner in a civil union (CU) recognized under New Jersey law. More information on civil unions, including legally sanctioned samesex relationships established outside New Jersey, can be found on the Division's Web site (www.state.nj.us/treasury/taxation/).

**Single.** Your filing status is single if you are unmarried or not a partner in a civil union on the last day of the tax year, and you do not qualify for head of household or qualifying widow(er)/surviving civil union partner status below.

Married/Civil Union Couples. If both you and your spouse/civil union partner were nonresidents of New Jersey during the entire taxable year, and only one of you earned, received, or acquired income from New Jersey sources, the spouse/civil union partner who had income from New Jersey sources may file a separate New Jersey return even if a joint Federal return was filed. The spouse/civil union partner with income from New Jersey sources computes income and exemptions as if a Federal married, filing separate return had been filed. You have the option of filing a joint return, but remember, joint income would be reported in Column A of Form NJ-1040NR.

If one spouse/civil union partner was a nonresident and the other a resident of New Jersey during the entire taxable year and both had income from New Jersey sources, separate New Jersey returns may be filed (the nonresident files a nonresident return and the resident files a resident return). Each computes income and exemptions as if Federal married, filing separate returns had been filed. You have the option of filing a joint resident return, but remember, joint income would be taxed as if both were residents.

If you are filing separately, be sure to enter the name and social security number of your spouse/civil union partner in the space provided under Line 3.

**NOTE:** You may file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

Head of Household. If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey. Certain married individuals/civil union partners living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

Qualifying Widow(er)/Surviving CU
Partner. If your spouse/civil union
partner died during 2012, you may file a
joint return for the two of you provided
you did not remarry or enter into a new
civil union before the end of the year.
You may be eligible to use the filing
status "qualifying widow(er)/surviving
CU partner" for 2012 only if your spouse/
CU partner died in either 2010 or 2011,
you did not remarry or enter into a new
civil union before the end of 2012, and
you meet the other requirements to file
as qualifying widow(er) with dependent
child for Federal purposes.

Domestic Partners. If you were a member of a domestic partnership registered in New Jersey, you are not considered to be married or in a civil union. Do not use either the joint or separate filing statuses at Lines 2 and 3. However, if you also entered into a legally sanctioned same-sex relationship outside New Jersey, you may still be able to

Filing Status (Lines 1-5) - continued

use the joint or separate filing statuses for married/CU couples. For more information, see the Division's Web site (www.state.nj.us/treasury/taxation/) and Tax Topic Bulletin GIT-4, *Filing Status*.

## Exemptions - Personal Line 6 - Regular Exemptions

As a taxpayer you may claim a personal exemption for yourself, even if you are a minor who is claimed as a dependent on your parents' return. For your convenience, "Yourself" is already checked. If you are married or in a civil union and filing a joint return, check the spouse/CU partner box as well.

If you were a member of a domestic partnership that was registered in New Jersey on the last day of the tax year, you may claim an exemption for your domestic partner only if he or she does not file a New Jersey income tax return. You must enclose a copy of your New Jersey Certificate of Domestic Partnership the first time you claim the exemption, and you may be asked to provide additional information. If you are claiming this exemption, check the domestic partner box. Add the number of boxes checked and enter the result on Line 6.

## Line 7 - Age 65 or Older

If you were 65 years of age or older on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was 65 years of age or older on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records with your return the first time you claim the exemption(s). Check the appropriate box(es). Add the number of boxes checked and enter the result on Line 7

### Line 8 - Blind or Disabled

If you were blind or disabled on the last day of the tax year, you are eligible for an additional exemption. If you are filing a joint return, an additional exemption is also available if your spouse/civil union partner was blind or disabled on the last day of the tax year. This exemption is not available for a domestic partner or for your dependents. "Disabled" means total and permanent inability to engage in any substantial gainful activity because of any physical or mental impairment, including blindness. You must enclose a copy of the doctor's certificate or other medical records with your return the first time you *claim the exemption(s)*. This information need not be submitted each year provided there is no change in your condition. Check the appropriate box(es). Add the number of boxes checked and enter the result on Line 8

## Exemptions - Dependency Line 9 - Dependent Children

You may claim an exemption for each dependent child who qualifies as your dependent for Federal income tax purposes. Enter the number of your dependent children on Line 9.

## Line 10 - Other Dependents

You may claim an exemption for each other dependent who qualifies as your dependent for Federal income tax purposes. Enter the number of your other dependents on Line 10.

## Line 11 - Dependents Attending Colleges

You may claim an additional exemption for each dependent claimed on Line 9 or 10 if all the requirements below are satisfied. This exemption is not available to you or your spouse/civil union partner or your domestic partner.

### Requirements

- Student must be under 22 years of age for the entire tax year. (This means that the student's 22nd birthday will not occur until 2013 or later.)

Enter the number of exemptions for your qualified dependents attending colleges on Line 11.

### Line 12 - Totals

Add Lines 6, 7, 8, and 11 and enter the total on Line 12a. Add Lines 9 and 10 and enter that total on Line 12b.

## Line 13 - Dependents' Information

If you do not provide a valid social security number, ITIN, or ATIN for a dependent claimed on Lines 9 and/or 10, the exemption will be disallowed.

#### **Gubernatorial Elections Fund**

The Gubernatorial Elections Fund. financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 67 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersev Election Law Enforcement Commission at 1-888-313-ELEC (toll-free within New Jersey) or 609-292-8700 or write to:

NJ ELECTION LAW ENFORCEMENT COMMISSION PO BOX 185

TRENTON NJ 08625-0185

Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates may be viewed on the Election Law Enforcement Commission Web site at: www.elec.state.nj.us.

Participation in the \$1 income tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay campaign expenses, check the "Yes" box in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse/civil union partner may also designate \$1 to this fund by checking "Yes." Checking the "Yes" box will not in any way increase your tax liability or reduce your refund.

## Income (Lines 14–26)

Enter on Lines 14 through 26 the amount of gross income received while a nonresident of New Jersey during the taxable year for each of the various categories of income.

In Column A, report your gross income from all sources (both inside and outside New Jersey). These figures cannot be copied from the figures reported on the Federal return. Reportable income means income that would be taxable if you were a New Jersey resident. Married/civil union couples filing a joint return must report the income of both spouses/civil union partners in Column A, even if only one had income from New Jersey.

In Column B, enter the income that comes from New Jersey sources. For every entry in Column A, there should be an entry on the corresponding line in Column B. If none of your income is from New Jersey sources, enter "0" in Column B. Your final tax liability is based on the percentage of your income from New Jersey sources.

**Tax.** Some examples of income taxable to a nonresident include:

- 1. Wages, salaries, tips, fees, commissions, bonuses, and other payments received, whether in cash or in property, for services performed in New Jersey;
- 2. Profits and other income from a business, trade, profession, or partnership conducted in New Jersey;

  Jersey, including New Jersey Lottery
  winnings from prize amounts exceeding \$10,000;

Income (Lines 14-26) - continued

6. Income of a New Jersey S corporation allocated to New Jersey.

Income or losses which a nonresident taxpayer receives from a business entity (i.e., sole proprietorship, partnership, LLP, or LLC) located in New Jersey will not be deemed to be derived from New Jersey sources if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as commodities or securities, and such intangible personal property is not held for sale to customers.

Gross income means all income you received in the form of money, goods, property, and services unless specifically exempt by law.

TAX TIP

Important! A net loss in any category of income cannot be reported as

such on Form NJ-1040NR. A loss within one category of income may be applied against other income within the same category. However, a net loss in one category of income cannot be applied against income or gains in another on Form NJ-1040NR. In case of a net loss in any category, enter "0" for that category. Under New Jersey law, no carryback or carryover of losses is permitted when reporting income on Form NJ-1040NR.

## Line 14 - Wages, Salaries, Tips, etc.

**Note:** The "State wages" figure on W-2(s) you received from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

Nonresident servicepersons, see page 6.

Pension and annuity income or early retirement benefits should not be included on this line but should be reported on Line 21.

Retirement Plans. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in the State wages figure on the W-2 in the year the wages are earned. This may cause

your State wages figure to be higher than your Federal wages figure.

**Meals and/or Lodging.** You may exclude from the amount reported on Line 14 meals and/or lodging reported as wages on your W-2 provided that:

 The meals and/or lodging were furnished on the business premises of your employer; and Line 14 - Wages, Salaries, Tips, etc. - continued

- 2. The meals and/or lodging were furnished for the convenience of your employer; and
  - For lodging only:
- 3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/ or lodging from your wages, you **must** enclose a signed statement explaining how you have met these conditions. If the statement is not enclosed, your wages will be adjusted to represent the full amount shown on your W-2.

Food and maintenance payments made to New Jersey State Police officers as part of their union contract **cannot** be excluded from gross income. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are **not** deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for employee business expenses reported as wages on your W-2 provided that:

- 1. The expenses for which you are reimbursed are job-related expenses;
- You are required to and do account for these expenses to your employer; and
- 3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you receive excludable reimbursements for employee business expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 2106.

Federal Statutory Employees. If you are considered a "statutory employee" for Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory employee" has no meaning for New Jersey gross income tax purposes. Business expenses may only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business).

Moving Expenses. Moving expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 14 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses were met and the expenses were included in wages on your W-2.

- 1. The cost of moving your household goods and personal effects from the old home to the new home.
- The actual expenses incurred by you for traveling, meals, and lodging when moving you and your family

from your old residence to your new residence.

Reimbursements for any other moving expenses may **not** be excluded from income.

If you receive excludable reimbursements for moving expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 3903.

#### Compensation for Injuries or Sickness.

Certain amounts received for personal injuries or sickness are not subject to tax. You may exclude from the amount reported on Line 14 such amounts included as wages on your W-2 provided that:

- The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
- 2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
- The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

If such payments are included in the State wages figure on your W-2, you must file Form NJ-2440 with your New Jersey return to exclude them.

#### COLUMN B

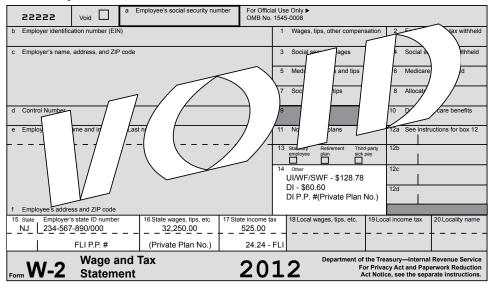

Enter the portion of your wages, salaries, etc. that comes from New Jersey sources. If zero, enter "0."

Pennsylvania residents, see page 4. Nonresident servicepersons and nonmilitary spouses/civil union partners of military personnel, see page 6.

If you had wage/salary income earned partly within and partly outside of New Jersey, and you cannot easily determine the amount of income from New Jersey, see Part II on page 31.

Do not use Part II if your wage/salary income is based on volume (the amount of sales or amount of business transacted).

## Sample W-2 (This form is for illustration only and is not reproducible.)

Line 14 - Wages, Salaries, Tips, etc. - continued

Instead, enter on Line 14 the portion of your wage/salary income calculated using the following formula:

 $\frac{\text{NJ Vol.}}{\text{Total Vol.}} \times \text{Vol. Income}$  = Line 14, Col. B

In determining where the business was transacted, the location where the services or sales were actually performed is the deciding factor. An explanation of how you computed the amount of wage/salary income must be enclosed with your return.

### Line 15 - Interest Income

#### COLUMN A

Enter all of your reportable interest from sources both inside and outside of New Jersey on Line 15, Column A. New Jersey reportable interest income includes interest from the following:

- · Savings and loan associations

- Any other interest not specifically exempt

Interest received by your sole proprietorship is reportable as net profits from business on Line 17. Your portion of interest earned and received by a partnership, an estate or trust or, in general, an S corporation is reportable as distributive share of partnership income on Line 22, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 23. For detailed information regarding the reporting of partnership or S corporation income, see Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*. For information regarding grantor trusts see the reporting instructions for Line 25 on page 22. Interest paid or deemed to have been paid to you by a partnership or an S corporation and reportable to you on Form 1099 must be included on Line 15 in Column A.

Forfeiture Penalty for Early Withdrawal. If you incur a penalty by withdrawing a time deposit early, you may subtract the amount of the penalty from your interest income.

If your reportable interest income on Line 15, Column A, is more than \$1,500, enclose a copy of Schedule B, Federal Form 1040 or 1040A.

- · TIGRs
- Certain distributions from "New Jersey Qualified Investment Funds"
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

## **New Jersey Qualified Investment**

Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least 80% of the fund's investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must complete and retain Form IF-1, Certification of

Qualified Investment Fund, to document its status. This certification need not be filed with the Division of Taxation but must be made available upon request.

If you received a distribution from a qualified investment fund, you may exclude from your income the portion of the distribution which comes from the qualified exempt obligations. The taxable portion of the distribution, if any, is reported as dividends on Line 16. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

Do not report interest earned on your IRA(s) on Line 15, Interest Income. If you made a withdrawal from your IRA during the year, see the instructions for Line 21.

For more information on tax-exempt interest income, see Tax Topic Bulletin GIT-5, *Exempt Obligations*.

#### COLUMN B

Only interest received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income should be reported on Line 15, Column B. See instructions for Line 15, Column A. **Do not report interest from personal accounts.** 

### Line 16 - Dividends

#### COLUMN A

Enter on Line 16, Column A, the amount of dividends received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of dividends received, **regardless of where earned**, must be reported.

Dividends received by your sole proprietorship are reportable as net profits from business on Line 17. Your portion of dividends earned and received by a partnership, an estate or trust or, in general, an S corporation are reportable as Line 16 - Dividends - continued

distributive share of partnership income on Line 22, net income from estates or trusts on Line 25, or net pro rata share of S corporation income on Line 23. For detailed information regarding the reporting of partnership income or S corporation income and distributions, see Tax Topic Bulletin GIT-9P, Income From Partnerships, or GIT-9S, Income From S Corporations. For information regarding grantor trusts see the reporting instructions for Line 25 on page 22.

Capital Gains Distributions. Capital gains distributions you receive from mutual funds or other regulated investment companies are reported on Line 58, Part I and are not to be included as dividends.

**Tax-Free Distributions.** A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or taxfree distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends must be reported on Line 15, Column A.

#### COLUMN B

Only dividends received as a result of a business or profession carried on in New Jersey and not properly reportable as net profits from business, distributive share of partnership income, net income from estates or trusts, or net pro rata share of S corporation income should be reported on Line 16, Column B. See instructions for Line 16, Column A. Do not report dividends from personally held securities.

## Line 17 - Net Profits From **Business**

COLUMN A Complete Part I of New Jersey Schedule NJ-BUS-1, Business Income Summary Sched-

ule, and enter on Line 17, Column A, the amount of net profits from business from Line 4 of Part I. If the amount on Line 4 is a loss, enter "0" on Line 17, Column A. Enclose Schedule NJ-BUS-1 and a copy of the Federal Schedule C (or C-EZ or F) for each business with your return. See page 31.

#### COLUMN B

Enter the portion of your business income that comes from New Jersey sources. If zero, enter "0." If you carry on business both inside and outside New Jersey, you must complete and enclose Form NJ-NR-A for each business.

Do not include in Column B net profits (or losses) which you received from a business entity located in New Jersey if the business entity's only activity is the purchase, holding, or sale of intangible personal property, such as securities or commodities, and such intangible personal property is not held for sale to customers. You must, however, include such net profits in Column A.

Anyone engaged in a business, trade, profession, or occupation in New Jersey must register with the State for tax purposes by filing a Business Registration Application, Form NJ-REG. Form NJ-REG may be filed online through the Division of Revenue's NJ Business Gateway Services at:

www.state.nj.us/treasury/revenue/.

## Line 18 - Net Gains or Income From Disposition of Property

#### COLUMN A

Enter on Line 18, Column A, the amount of net gains from Part I, Line 60. If the amount on Line 60 is zero, enter "0" on Line 18, Column A. See page 31.

#### COLUMN B

Enter the net gains or income from New Jersey sources. If zero, enter "0."

## Line 19 - Net Gains or Income From Rents, Royalties, Patents, and Copyrights

1) COLUMN A

Complete Part II of New Jersey Schedule NJ-BUS-1, Business Income Summary Sched-

ule, and enter on Line 19, Column A, the amount of net income from Line 4 of Part II. If the amount on Line 4 is a loss, enter "0" on Line 19, Column A. Enclose Schedule NJ-BUS-1 with your return. See page 32.

#### COLUMN B

Enter your net gains or income from New Jersey sources. If zero, enter "0."

## Line 20 - Net Gambling Winnings

TAX TIP New Jersey Lottery winnings from prize amounts exceeding \$10,000 are tax-

able for New Jersey gross income tax purposes. The individual prize amount, not the total amount of New Jersey Lottery winnings over the year, determines taxability.

#### COLUMN A

Enter on Line 20, Column A, the amount of your net gambling winnings from both inside and outside New Jersey. You may deduct your gambling losses from your winnings that occurred during the same year. You may use New Jersey Lottery losses to offset other gambling winnings. If your net gambling winnings are less than zero, enter "0."

You must be able to substantiate gambling losses used to offset winnings reported on your New Jersey nonresident income tax return. Evidence of losses may take several forms, including a daily log or journal of wins and losses, canceled checks, losing pari-mutuel tickets, losing lottery tickets, etc. With respect to winnings or losses resulting from casino gambling, letters from casinos which purport to "rate" the gambling activity of an individual or "estimate" losses are acceptable as part of the evidential material required to prove losses.

Winnings or losses from lotteries may be reported on this line. Remember, do not include any winnings from prizes in the amount of \$10,000 or less from the New Jersey State Lottery.

Although no specific rider to the New Jersey income tax return is required to substantiate gambling losses, it is suggested that if you enter gambling winnings net of losses on Line 20 of the return, you should note the total winnings and total losses on a supporting schedule. This

Line 20 - Net Gambling Winnings - continued

procedure may eliminate certain questions in the event the return is selected for audit.

#### COLUMN B

Enter your net gambling winnings from New Jersey sources. Gambling losses incurred from sources outside New Jersey may not be used to offset gambling winnings from New Jersey sources. If zero, enter "0."

## Line 21 - Pensions, Annuities, and IRA Withdrawals

#### COLUMN A

Enter on Line 21, Column A, your reportable pensions, annuities, and certain IRA withdrawals. See page 20 for information on Roth IRAs. Pensions, annuities, and IRA withdrawals are reportable on the New Jersey return although the reportable amount may differ from the Federal amount.

If you (and/or your spouse/civil union partner if filing jointly) were 62

years of age or older or disabled and met the other requirements, you may be able to use the pension and other retirement income exclusions to reduce your gross income. See the instructions for Line 27a on page 23 and Line 27b on page 24.

All state and local government, teachers', and Federal pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" and amounts received as pension on Schedule NJK-1, Partnership Return Form NJ-1065 are also reportable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive pension payments after age 65, your disability pension is then treated as an ordinary pension. See definition of "disabled" on page 13.

If you are receiving a United States military pension or survivor's benefit payments, the military pension or survivor's benefit is not reportable for New Jersey gross income tax purposes, regardless of your age or disability status. Do not include such payments on Line 21, Column A, Form NJ-1040NR.

Military pensions are those resulting from service in the Army, Navy, Air Force, Marine Corps, or Coast Guard. This exemption does not apply to civil service pensions or annuities, even if the pension or annuity is based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service while a civil service annuity is received through the U.S. Office of Personnel Management.

Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which **you** have made contributions, usually through payroll deductions. The amount you report on Line 21, Column A, will depend on whether or not you made contributions to the plan.

**Noncontributory Plans.** Amounts you receive from noncontributory plans are fully reportable. Include on Line 21, Column A, the total amount of the pension or annuity from your 1099-R.

#### **Contributory Plans (Other Than**

**IRAs).** The total value of your pension or annuity consists of your contributions, your employer's contributions (if any), and earnings. In general, your contributions to a pension or annuity were taxed when they were made and are not reportable when withdrawn (except for 401(k) Plans). You must determine the reportable

part of any distribution you receive. Use Worksheet A below to determine whether you should use the Three-Year Rule Method or the General Rule Method for your pension or annuity.

#### NOTE:

- If you received a distribution from a 401(k) Plan, see the section on 401(k) Plans before continuing.
- The reportable amount of an IRA withdrawal must be determined by completing Worksheet C, IRA Withdrawals, on page 21. **Do not use Worksheet A or B for an IRA withdrawal.**

Three-Year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you and your employer contributed to the plan, you may use the Three-Year Rule Method to determine your New Jersey reportable pension income. The Three-Year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, are not reportable and should not be entered on your return. Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully reportable.

Since the Three-Year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the reportable amount of pension or annuity that you enter on your New Jersey return when using this method will differ from the amount you report on your Federal return.

## Worksheet A Which Pension Method to Use

1. Amount of pension you will receive during the first three
years (36 months) from the date of the first payment 1.
2. Your contributions to the plan
3. Subtract line 2 from line 1

- (a) If line 3 is "0" or more, *and* both you and your employer contributed to the plan, you may use the **Three-Year Rule Method.**
- (b) If line 3 is less than "0," or your employer did not contribute to the plan, you must use the **General Rule Method.**

(Keep for your records)

Line 21 - Pensions, Annuities, and IRA Withdrawals - continued

## 

\*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, Federal actuarial tables must be used to compute the expected return. The Federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

(Keep for your records)

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey reportable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be reportable. Use Worksheet B above to determine the reportable amount.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on line 3 to determine the reportable amount year after year. You must recalculate the percentage only if your annual pension payments decrease.

**401(k) Plans.** Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to 401(k) Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1, 1984, your distribution will be treated differently than if you made all of your contributions after this date.

1. All contributions made on or after January 1, 1984. If all of your contributions to the 401(k) Plan were

made on or after January 1, 1984, then your distributions from the plan are fully reportable unless your contributions exceeded the Federal limit.

2. Contributions made before January 1, 1984. If you made contributions to the 401(k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the reportable portion of your distributions from the plan using one of the methods described under contributory plans.

Lump-Sum Distributions and Rollovers. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Enter the reportable amount of a lump-sum distribution on Line 21, Column A.

A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan is excludable from New Jersey income if the rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is reportable later when it is withdrawn.

As under Federal law, the rollover must be made within the 60-day period after distribution.

For more detailed information on reporting pension and annuity income on your New Jersey return, see Tax Topic Bulletin GIT-1, *Pensions and Annuities*.

**IRAs.** Your IRA consists of a nonreportable part (your contributions) and a reportable part (earnings plus certain amounts, if any, rolled over from pension plans). If your contributions have been previously taxed, the portion of your distribution that represents earnings is reportable.

Earnings credited to an IRA are not reportable until withdrawn. The interest, dividends, and other earnings, as well as amounts which were tax-free rollovers, will become reportable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes reportable in the year the withdrawal is made. If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is reportable.

A distribution from a rollover IRA which is fully reportable for Federal income tax purposes may be treated differently for New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Enter the reportable amount of an IRA withdrawal on Line 21. Use Worksheet C on page 21 to determine the reportable portion of your IRA withdrawal. For multiple IRAs, the reportable amount may be determined by using a separate worksheet for each IRA, or all IRAs may be combined on one worksheet.

Roth IRAs. Contributions to a Roth IRA are reportable as part of your gross income in the year they are made. However, if the requirements are satisfied, "qualified distributions" from a Roth IRA are excludable and do not have to be included as income on Line 21, Column A, of Form NJ-1040NR.

A "qualified distribution" is one made after the five-taxable-year period beginning with the first taxable year in which a contribution was made to your IRA, and which is:

- 1. Made on or after the date on which an individual reaches age 59½; or
- Made to a beneficiary (or the individual's estate) after the individual's death; or
- 3. Made because the individual becomes disabled; or
- 4. Made as a qualified first-time home buyer distribution as defined by the Internal Revenue Code.

A payment or distribution cannot be treated as a qualified distribution if it is made within the five-taxable-year period which begins with the year the first contribution was made. A payment or distribution of an allowable rollover contribution (or income earned on the amount rolled over) from an IRA other than a Roth IRA, is not a qualified distribution if it is made within the five-taxable-year period which begins with the year in which the rollover contribution was made.

If you received a nonqualified distribution from a Roth IRA, you must report the earnings as income on Line 21, Column A.

**TAX TIP** Conversions During Tax

Year 2010. If you converted an existing IRA to a rollover Roth IRA during tax year 2010 and elected to report the income in equal installments in 2011 and 2012, include on Line 21 one-half of the amount taxable for New Jersey purposes from IRAs converted to Roth IRAs in 2010.

For more detailed information on IRA withdrawals, see Tax Topic Bulletin GIT-2, *IRA Withdrawals*, or Technical Bulletin TB-44.

Enter on Line 25, Column A:

#### **Amounts Received as Prizes and**

Awards. A prize won in a raffle, drawing, television or radio quiz show, contest, or any other event is reportable and must be included on Line 25, Column A. Any prizes or awards received in goods or services must be included as income at fair market value.

Income in Respect of a Decedent. If you had the right to receive income that the deceased person would have received had he or she lived, and the income was not included on the decedent's final return, you must report the income on your own return when you receive it. The income is reported on Line 25, "Other" income. Enclose a schedule of the items of income reported together and included on Line 25.

Income From Estates and Trusts. Beneficiaries receiving income from an estate or trust must include on Line 25 the Total Distribution reported on Schedule NJK-1, Form NJ-1041. If a Schedule NJK-1 was not received, include on Line 25 the net of the items listed on the Federal Schedule K-1 received. Interest, dividends, capital gains, business or partnership income, etc. as listed on the Federal K-1(s) must be adjusted to reflect New Jersey tax law and then netted together before inclusion on Line 25, "Other" income. Be sure to include income which is not subject to

Federal income tax but is subject to New Jersey gross income tax, such as interest from and losses on the disposition of obligations of states and their political subdivisions, other than New Jersey and its political subdivisions, and exclude income and losses not subject to New Jersey tax, such as gains on New Jersey tax-exempt securities.

For tax years beginning on or after January 1, 2004, New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. The Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP instructions explain the New Jersey adjustments required to determine income reportable in the various net income categories.

For taxable years beginning after December 31, 2004, New Jersey income tax law has uncoupled from some provisions of the IRC section 199 deduction. The New Jersey allowable IRC section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction.

Enclose a copy of the NJK-1(s) or Federal K-1(s).

If the income from a grantor trust is reportable by or taxable to the grantor for Federal income tax purposes, it is also taxable to the grantor for New Jersey gross income tax purposes. The grantor must report the interest, dividends, capital gains, business income, partnership income, net pro rata share of S corporation income, etc. in the categories of income as required for gross income tax purposes and not as income from Estates and Trusts. Enclose a copy of the New Jersey or Federal Grantor Trust Attachment.

For more information see Tax Topic Bulletin GIT-12, *Estates and Trusts*.

Scholarships and Fellowships. Scholarships and fellowship grants are reportable and must be included on Line 25, Column A, unless they satisfy **all** of the following conditions:

## Line 27a - Pension Exclusion

### COLUMN A

You qualify for the New Jersey pension exclusion if:

- You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older or disabled as defined by Social Security guidelines on the last day of the tax year; and
- Total income from Line 26, Column A, for the entire year was \$100,000 or less.

NOTE: If the amount on Line 26, Column A, is more than \$100,000, you are not eligible for the pension exclusion. You may still be eligible for a special exclusion of up to \$6,000. See the instructions for Line 27b on page 24 to determine if you qualify for this special exclusion.

If you qualify for the pension exclusion, you may exclude all or a part of the income you received during the year from taxable pensions, annuities, and IRA withdrawals. You may exclude up to \$20,000 (filing status married/CU couple,

filing joint return), \$15,000 (filing status single, head of household, or qualifying widow(er)/surviving CU partner), or \$10,000 (filing status married/CU partner, filing separate return).

Enter on Line 27a, Column A, the lesser of the amount reported on Line 21, Column A, or the amount next to your filing status from the Maximum Pension Exclusion chart below. The amount on Line 27a should never be more than the amount on Line 21. Part-year nonresidents, see page 5.

When you and your spouse/civil union partner file a joint return and only one of you is 62 years of age or older or disabled, you may still claim the maximum pension exclusion. However, only the pension, annuity, or IRA withdrawal of the spouse/civil union partner who is 62 years of age or older or disabled may be excluded.

TAX TIP

If you and/or your spouse/ civil union partner were 62 years of age or older on

the last day of the tax year and the maximum pension exclusion amount for your filing status is more than the amount of your reportable pension, or you did not use the pension exclusion because you did not report any taxable pensions, annuities, and IRA withdrawals, you may still qualify for other income exclusions. See the instructions for Line 27b, "Other Retirement Income Exclusion." Part-year nonresidents, see page 5.

#### COLUMN B

Pension, annuity, and IRA withdrawal income is not taxable to nonresidents. Therefore, no entry is necessary on Line 27a, Column B.

## Line 27b - Other Retirement Income Exclusion

If you (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year, you may qualify to exclude other income on Line 27b. There are two parts to the total exclusion: Part I, the unclaimed portion of your pension exclusion, and Part II, a special exclusion for taxpayers who are unable to receive Social Security or Railroad Retirement benefits. Each part has different eligibility requirements. Use Worksheet D to calculate the total exclusion amount you are eligible to claim. If you were a partyear nonresident, do not complete the worksheet. See page 5.

- I. Unclaimed Pension Exclusion. You are eligible to use the unclaimed portion of your pension exclusion on Line 27b if:
  - You (and/or your spouse/civil union partner if filing jointly) were 62 years of age or older on the last day of the tax year; and
  - Total income from Line 26, Column A, for the entire year was \$100,000 or less; and
  - Income from wages, net profits from business, distributive share of partnership income, and net pro rata share of S corporation income totaled \$3,000 or less; and
  - You did not use the maximum pension exclusion on Line 27a (your taxable pension, annuity, or IRA withdrawal was less than the exclusion amount for your filing status or you did not receive pension, annuity, or IRA withdrawal income).
- II. Special Exclusion for Taxpayers Unable to Receive Social Security or Railroad Retirement Benefits. This benefit is not related to the pension exclusion and, if you qualify, you may claim it whether or not you use the maximum pension exclusion. You qualify for this additional exclusion on Line 27b if:
  - You (and/or your spouse/civil union partner if filing jointly) were 62

**NOTE:** When you and your spouse/civil union partner file a joint return and only one of you is 62 years of age or older, you may claim the full exclusion. However, only the income of the spouse/civil union partner who is age 62 or older may be excluded.

However, you must file a return in order to obtain a refund of taxes withheld or estimated payments made. Enter zero on Lines 37 and 38 and complete the return.

If you were a New Jersey resident for any part of the year, see "Guidelines for Part-Year Nonresidents" on page 5.

You may claim an exemption from withholding if you expect to have no New Jersey income tax liability for the taxable year because your gross income will be less than the minimum income filing threshold. Complete Form NJ-W4 and submit it to your employer to claim the exemption.

## Exemptions and Deductions (Lines 30–36)

New Jersey allows deductions only for exemptions, certain medical expenses, qualified Archer medical savings account (MSA) contributions, health insurance costs of the self-employed, alimony and separate maintenance payments, qualified conservation contributions, a health enterprise zone deduction for qualified taxpayers, and an alternative business calculation adjustment for taxpayers with business losses. No deduction is allowed for adjustments taken on the Federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, be sure to keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals in future years. Part-year nonresidents must follow the guidelines on page 5.

## Line 30 - Total Exemption Amount

Calculate your total exemption amount as follows:

From Line 12a	_× \$1,000 =	
From Line 12b	_× \$1,500 =	
Total Exemption Amou	ınt	

Enter the number of exemptions from Line 12a, Form NJ-1040NR. Multiply the number by \$1,000 and enter the result.

Enter the number of exemptions from Line 12b, Form NJ-1040NR. Multiply the number by \$1,500 and enter the result.

Add together the exemption amounts calculated above and enter the total on Line 30, Form NJ-1040NR.

## **Line 31 - Medical Expenses**

You may deduct certain medical expenses that you paid during the year for yourself, your spouse/civil union partner or domestic partner, and your dependents. However, you cannot deduct expenses for which you were reimbursed. Only expenses in excess of 2% of your income may be deducted. You may also deduct qualified Archer MSA contributions. Use Worksheet E on page 26 to calculate your deduction for medical expenses/Archer MSA contributions.

Allowable Medical Expenses. Medical expenses means nonreimbursed payments for physicians, dental and other medical fees, prescription eyeglasses and contact lenses, hospital care, nursing care, medicines and drugs, prosthetic devices, X-rays, and other diagnostic services conducted by or directed by a physician or dentist. In addition, medical expenses may also include amounts paid for transportation primarily for and essential to medical care and insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care. As a general rule, medical expenses allowed for Federal income tax purposes will be allowed for New Jersey income tax purposes.

## **NOTE: Do not include** on line 1, Worksheet E

- Contributions you made to an Archer MSA or any amounts paid or disbursed from an Archer MSA that have been excluded from gross income; or
- Any amounts taken as a deduction on line 5, Worksheet E, for the health insurance costs of the self-employed.

Line 31 - Medical Expenses - continued

Archer MSA Contributions. Enter on line 4, Worksheet E, the amount of your qualified contributions from Federal Form 8853. New Jersey follows the Federal rules for this deduction. Your contribution may not exceed 75% of the amount of your annual health plan deductible (65% if you have a self-only plan). Enclose Federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 14, Column A and Column B.

### **Self-Employed Health Insurance**

**Deduction.** If you are considered a selfemployed individual for Federal income tax purposes, or you received wages in 2012 from an S corporation in which you were a more-than-2% shareholder, you may deduct the amount you paid during the year for health insurance for yourself, your spouse/civil union partner or domestic partner, and your dependents. The amount of the deduction may not exceed the amount of your earned income, as defined for Federal income tax purposes, derived from the business under which the insurance plan is established. You may not deduct any amounts paid for health insurance coverage for any month during the year in which you were eligible to participate in any subsidized

health plan maintained by your (or your spouse's/civil union partner's or domestic partner's) employer.

**NOTE:** For Federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2012. However, for New Jersey purposes you may deduct such amounts only if the child was your dependent. For more information see Division Technical Advisory Memorandum TAM-14.

## Line 32 - Alimony and Separate Maintenance Payments

The amount of the deduction is the amount of the contribution allowed as a deduction in computing your taxable income for Federal income tax purposes. If you are required to file Federal Form 8283 with your Federal 1040, enclose a copy.

## Line 34 - Health Enterprise Zone Deduction

Eligible taxpayers engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) enter the amount of their HEZ deduction on Line 34. Partners and S corporation shareholders of a qualified practice enter the HEZ deduction amount listed on Schedule NJK-1, Form NJ-1065, or Schedule NJ-K-1, Form CBT-100S. Sole proprietors must calculate the amount of their HEZ deduction for Line 34. For information on eligibility requirements and how to calculate the HEZ deduction, see Division Technical Bulletin TB-56.

## Line 35 - Alternative Business Calculation Adjustment

come adjustment. Complete Schedule NJ-BUS-2, Alternative Business Calculation Adjustment. Enter on Line 35 the amount from Schedule NJ-BUS-2, Line 10.

Enclose a copy of Schedule NJ-BUS-2 with your return and retain a completed copy for your records. You may need the information from this schedule to complete your return in future years.

## Line 36 - Total Exemptions and Deductions

## Line 38 - Tax on Amount on Line 37

Compute your tax by using one of the following methods.

Line 38 - Tax on Amount on Line 37 - continued

Tax Table. If your taxable income from all sources on Line 37 is less than \$100,000, you may use the New Jersey Tax Table on page 34 or the New Jersey Tax Rate Schedules on page 43 to find your tax. When using the tax table, be sure to use the correct column. After you have found your tax, enter the amount on Line 38.

Tax Rate Schedules. You must use the New Jersey Tax Rate Schedules on page 43 if your taxable income from all sources on Line 37 is \$100,000 or more. Use the correct schedule for your filing status. After you have calculated your tax, enter the amount on Line 38.

## Line 39 - Income Percentage

To figure your income percentage, divide the amount on Line 29 in Column B by the amount on Line 29 in Column A.

Carry your result to four decimal places. For example, if the amounts used were \$20,000 (Line 29, Column B) divided by \$30,000 (Line 29, Column A), the result would be 66.67% or .6667. In certain situations, however, the income percentage can exceed 100%.

NOTE: The income percentage can exceed 100%. For example, a taxpayer realizes a \$50,000 gain from the sale of real property in New Jersey and sustains a \$10,000 loss from the sale of property in Florida. This nonresident (who has no other income) reports \$40,000 as his income from everywhere (Column A) and \$50,000 as income from New Jersey sources (Column B). The income percentage is 125% (or 1.25) calculated as follows: \$50,000 (Line 29, Column B) divided by \$40,000 (Line 29, Column A).

## Line 40 - New Jersey Tax

Multiply the amount on Line 38 by the income percentage on Line 39, and enter the result on Line 40. This is your New Jersey tax.

## Line 41 - Sheltered Workshop Tax Credit

Subtract Line 41 from Line 40 and enter the result on Line 42.

## Line 43 - Penalty for Underpayment of Estimated Tax

New Jersey's income tax is a "pay as you go" tax. You must pay the tax as you earn or receive income throughout the year. If you do not pay enough tax on the income you received, you may owe interest (see "Estimated Tax" on page 10).

To determine the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Enter on Line 43 the amount of interest due from line 19, Form NJ-2210. Be sure to check the box at Line 43 and enclose Form NJ-2210 with your return.

All W-2 and 1099 statements must reflect your correct social security number for the withholdings to be credited. If the social security number is missing or incorrect, you must obtain a corrected statement. Only your employer/payer can issue or correct these forms. If you have not received a W-2 or 1099 form by February 15, or if the form you received is incorrect, contact your employer/payer immediately.

Form W-2. The W-2 must indicate the amount of New Jersey tax withheld and the "State" box must indicate that the tax withheld was New Jersey income tax. See sample W-2 on page 16. Enclose the state copy of each withholding statement (W-2, W-2G).

Do not include on Line 45 amounts withheld as New Jersey unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions (shown on the W-2 as UI/WF/SWF, if combined, or UI, WF, and SWF, if stated separately), New Jersey disability insurance contributions (may be shown as DI), or New Jersey family leave insurance contributions (shown as FLI). These are **not** New Jersey income tax withholdings and may not be used as credits on Line 45.

See instructions for Lines 48, 49, and 50 for more information on unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions.

Form 1099. Although most 1099 forms do not show state withholding, New Jersey income tax may have been withheld from income you received that was reported on Form 1099-R or 1099-MISC. Enter on Line 45 the total amount of New Jersey income tax withheld, if any, shown on those statements. Enclose the state copy of Form 1099-R or 1099-MISC with your return only if New Jersey income tax was withheld.

- \*This is the amount of overpayment that you chose to carry forward on Line 53A of your 2011 NJ-1040NR as a credit towards your income tax liability for 2012. If you received a refund check for 2011, do not enter the amount of that refund check on Line 46.

Do not include tax paid on your behalf by partnership(s) on this line. It must be reported on Line 47.

## Payments Made Under Another Name or Social Security Number. If you

changed your name because of marriage/civil union, divorce/dissolution, etc., and you made estimated tax payments using your former name, enclose a statement with your return explaining all the payments you and/or your spouse/civil union partner made for 2012 and the name(s) and social security number(s) under which you made payments.

If your spouse/civil union partner died during the year and any estimated payment(s) were made under the deceased spouse's/civil union partner's social security number and other payments were made under your social security number, you must enclose a statement with your return listing the social security numbers and the amounts submitted under each social security number.

## Line 47 - Tax Paid on Your Behalf by Partnership(s)

tax on your behalf and a copy of Schedule NJK-1 (Form NJ-1041) for each estate or trust which distributed tax paid by partnership(s) to you for which you are claiming a credit.

## UI/WF/SWF; DI; FLI Credits (Lines 48–50)

You may take credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions withheld by two or more employers. For 2012, the maximum employee unemployment insurance/ workforce development partnership fund/ supplemental workforce fund contribution was \$128.78, the maximum employee disability insurance contribution was \$60.60, and the maximum employee family leave insurance contribution was \$24.24. If you had two or more employers and you contributed more than the maximum amount(s), you must enclose a completed Form NJ-2450 with your return to claim the credit.

If any single employer withheld more than the maximum for either UI/WF/SWF (\$128.78), disability insurance (\$60.60), or family leave insurance (\$24.24) contributions, enter only the maximum amount for that category on Form NJ-2450. You must contact the employer who withheld contributions in excess of the legal maximum for a refund.

All information on Form NJ-2450 must be substantiated by W-2 statements or the claim will be denied. The amounts of unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and family leave insurance contributions withheld must be reported separately on all W-2 statements. The employer's New Jersey Taxpayer Identification Number **or** approved private plan number must also be shown. See sample W-2 on page 16.

Be careful when completing Form NJ-2450 and check that your W-2 verifies the information you provide. If **all** New Jersey Department of Labor and Workforce Development requirements

are not met, your income tax credit must be denied. You must then refile your claim with the Department of Labor and Workforce Development using their Form UC-9A, "Employee's Claim for Refund of Excess Contributions." Once your income tax credit for excess unemployment insurance/workforce development partnership fund/supplemental workforce fund contributions, disability insurance contributions, and/or family leave insurance contributions has been denied, it can only be claimed through the Department of Labor and Workforce Development.

Do not send in the payment voucher if you pay your taxes by e-check or credit card.

If you are making a donation on Line 54B, 54C, 54D, 54E, 54F, and/or 54G, and you have a balance due, increase the amount of your payment by the amount you wish to contribute. If you are paying your tax due by check and including a donation, your check or money order must be made out to "State of New Jersey – TGI," not to the charity or charities you selected. ## Part I - Disposition of Property (Lines 57–60)

Your portion of the gain or loss derived from the disposition of property owned by a sole proprietorship, partnership, an estate or trust or, in general, an S corporation is reportable as net profits from business on Line 17, distributive share of partnership income on Line 22, income from estates and trusts on Line 25, or net pro rata share of S corporation income on Line 23. For information regarding grantor trusts see the reporting instructions for Line 25 on page 22.

Use Part I to report all other capital gains and income from the sale or exchange of any property (both inside and outside New Jersey). In arriving at your gain, you may deduct expenses of the sale and your adjusted basis in the property. The basis to be used for computing gain or loss is the cost or adjusted basis determined for Federal income tax purposes.

**NOTE:** If you sold or transferred real property in New Jersey and were required to make estimated tax payments in connection with the sale or transfer, be sure to include such payments on Line 46.

Part I - Disposition of Property - continued

depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the gain or loss on disposition of applicable property.

## TAX TIP

If you had an interest in a partnership, a sole proprietorship, or an

S corporation which sold or disposed of virtually all of its assets in conjunction with the *complete liquidation* of the entity, then your portion of the gain or loss from the entity's sale or disposition of its assets must be reported as net gains or income from the disposition of property.

If you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold shares in an S corporation, you **must** use your New Jersey adjusted basis. The gain or loss from your sale or liquidation of a sole proprietorship, a partnership interest, or shares of S corporation stock must be reported as net gains or income from disposition of property in Part I.

For information on calculating your New Jersey adjusted basis and your New Jersey reportable gain or loss, refer to rules N.J.A.C. 18:35-1(c)5 (trade or business property), 18:35-1.3(d)2 (partnerships), or 18:35-1.5(k) (S corporations) and Tax Topic Bulletin GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.

All gains derived from installment sales must be reported in the same year as reported for Federal income tax purposes. If the New Jersey basis differs from the Federal basis, a New Jersey installment sale calculation must be made and the New Jersey gain must be reported.

If the spaces provided are not sufficient, enclose a statement with the return listing any additional transactions.

Sale of a Principal Residence. If you sell your principal residence, you may qualify to exclude up to \$250,000 (\$500,000 for certain married/civil union couples filing a joint return) of any gain from your income. Capital gain is computed in the same manner as for Federal income tax purposes. Any amount that is taxable for Federal purposes is taxable for New Jersey purposes.

You can claim the exclusion if, during the 5-year period ending on the date of the sale, you have:

- 1. Owned the home for at least 2 years (the ownership test); **and**
- 2. Lived in the home as your principal residence for at least 2 years (the use test).

**NOTE:** If you owned and used the property as your principal residence for less than 2 years, and you qualify for a reduced exclusion for Federal purposes, you may claim a reduced exclusion for New Jersey purposes.

You can exclude up to \$250,000 (\$500,000 for certain married/civil union couples filing a joint return) of gain from the sale of your principal residence if **both 1 and 2** below apply.

- 1. Neither you nor your spouse/civil union partner if filing a joint return is excluding gain from the sale of another home.
- 2. You or your spouse/civil union partner if filing a joint return owned and lived in the home for periods adding up to at least 2 years within the 5-year period ending on the date of sale.

If you are a married/civil union couple, filing a joint return, **both** you and your spouse/civil union partner must meet the use test to qualify for the \$500,000 exclusion.

If only one spouse/civil union partner meets the ownership and use tests, the qualified spouse/civil union partner can exclude up to \$250,000 of the gain when

filing either a joint return or a married/CU partner, filing separate return.

You cannot exclude the gain on the sale of your principal residence if, during the 2-year period ending on the date of the sale, you sold another home at a gain and excluded all or part of that gain. If you cannot exclude the gain, you must include it in your income and complete Part I. However, you can claim a reduced exclusion if you sold the home due to a change in health or place of employment and you qualify for a reduced exclusion for Federal purposes.

### **Line 57 - List of Transactions**

List at Line 57, Part I, any reportable transaction(s) from your Federal Schedule D, indicating the gain or loss for each transaction in Column f. In listing the gain or loss on disposition of rental property, the New Jersey adjustment from the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP, line 6 must be taken into consideration. Be sure to retain the completed worksheet for your records. The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1040NR. You may deduct Federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

## Line 58 - Capital Gains Distributions

# Part II - Allocation of Wage and Salary Income

## 2012 Schedule NJ-BUS-1

## Schedule NJ-BUS-1 Business Income Summary Schedule

## Part I - Net Profits From Business

Use Part I to report the net profits or loss from every business, trade, or profession in which you were engaged. If the spaces provided are not sufficient, enclose a statement with the return listing any additional businesses and the related profit or loss along with Schedule NJ-BUS-1.

To determine your New Jersey profit or loss, first complete a Federal Schedule C (or Schedule C-EZ or F) for each business. Use the same accounting method (cash or accrual) that you used for Federal income tax purposes.

To comply with New Jersey income tax law you must make the following adjustments to your Federal Schedule C (or C-EZ or F):

- 1. Add any amount you deducted for taxes based on income.
- Subtract interest you reported on Federal Schedule C (or C-EZ or F) which is exempt for New Jersey purposes but taxable for Federal purposes.
- 3. Add interest not reported on Federal Schedule C (or C-EZ or F) from states or political subdivisions outside of New Jersey which is exempt for Federal purposes.
- 4. Deduct the remaining 50% of meal and entertainment expenses (that were disallowed on the Federal return).

- 5. Deduct your qualified contributions to a self-employed 401(k) plan. Contributions to a plan in excess of the Federal limits, which are not an allowable deduction for Federal tax purposes, are also not deductible for New Jersey purposes.
- 6. Add interest and dividends derived in the conduct of a trade or business.
- Add or subtract income or losses derived in the conduct of a trade or business from rentals, royalties, patents, or copyrights.
- 8. Add or subtract gains or losses from the sale, exchange, or other disposition of the trade or business's property.
- 9. Add or subtract the net adjustment from the Gross Income Tax

Schedule NJ-BUS-1 - continued

Depreciation Adjustment Worksheet GIT-DEP, Part 1, line 7. Be sure to retain the completed worksheet for your records.

Sole proprietors engaged in providing "primary care" medical and/or dental services at a qualified practice located in or within five miles of a designated Health Enterprise Zone (HEZ) may qualify for a deduction on Line 34. For information on eligibility requirements and how to calculate the HEZ deduction, see Division Technical Bulletin TB-56

Anyone engaged in a business, trade, profession, or occupation in New Jersey must register with the State for tax purposes by filing a Business Registration Application, Form NJ-REG. Form NJ-REG may be filed online through the Division of Revenue's NJ Business Gateway Services at: www.state.nj.us/treasury/revenue/.

For information regarding grantor trusts see the reporting instructions for Line 25 on page 22.

Use Part II to report all other net gains or income less net losses from rents, royalties, patents, and copyrights. If the spaces provided are not sufficient, enclose a statement with the return listing any additional property and income or loss along with Schedule NJ-BUS-1.

New Jersey income tax law has uncoupled from certain changes in Federal depreciation and expense deduction limits. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

The New Jersey allowable IRC Section 199 deduction must be calculated on Form 501-GIT, Domestic Production Activities Deduction. The result should be taken into consideration in calculating the net gain, income, or loss resulting from the rental of applicable property.

The Gross Income Tax Act does not distinguish between active and passive losses, nor does it authorize carryback or carryforward of such losses when reporting income on Form NJ-1040NR. Thus, you may deduct Federal passive losses in full in the year incurred against any gain within the **same category** of income.
