**State of New Jersey** Department of the Treasury Division of Taxation

Dear Taxpayer,

It's that time of year again to file your NJ-1040. Please be aware of the following notable changes for Tax Year 2019:

- Retirement Income Exclusion The pension and/or retirement exclusion increased. You may exclude up to \$80,000 of retirement income a 33% increase over last year. (See page 19 for more information);
- N.J. Earned Income Tax Credit The State credit increases to 39% of the federal credit up from 37% last year. (See page 41);
- Veteran Exemption The income tax exemption for veterans doubles from \$3,000 to \$6,000. (See page 6);
- NJ Health Insurance Mandate Beginning January 1, 2019, New Jersey required its residents to maintain health insurance. The law requires you and your family to have minimum essential health coverage throughout 2019 and beyond, unless you qualify for an exemption. Failure to have health coverage or qualify for an exemption may result in a Shared Responsibility Payment (See page 37).

We also are taking steps to make filing as convenient as possible for you.

# Which Form to File

Military personnel and their spouses/civil union partners, see page 45.

\*A home is not permanent if it is maintained only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment). A home used only for vacations is not a permanent home.

**New Jersey Residents Working/Living Abroad.** Use the chart, "Which Form to File," above to determine if you are considered a New Jersey resident for tax purposes. New Jersey residents working or living abroad have the same filing and payment requirements as residents living in New Jersey.

**Part-Year Residents.** There is no part-year resident return. You may have to file both Form NJ-1040 to report income you received for the part of the year you were a resident and Form NJ-1040NR if you had income from New Jersey sources for the part of the year you were a nonresident.

# Things to Know Before You Begin Your 2019 NJ-1040

Check the following items to avoid mistakes that delay returns and refunds.

# When to File

In general, your New Jersey Income Tax return is due when your federal income tax return is due. If you are a calendar year filer, your 2019 New Jersey Income Tax return is due by April 15, 2020. Fiscal-year filers, see page 5.

#### **Postmark Date**

All New Jersey Income Tax returns postmarked on or before the due date of the return are considered filed on time. Tax returns postmarked after the due date are considered filed late. If the postmark date on your return is after the due date, the filing date for that return is the date we received your return, not the postmark date.

# **Extension of Time to File**

**There is no extension of time to pay your tax due – only to file.** Penalties and interest will be charged if you pay your tax after April 15, 2020. (Military personnel and civilians providing support to the Armed Forces, see page 45.)

You can receive a six-month extension of time to file if you pay at least 80% of your tax liability (line 43) through with-holdings, estimated payments, or other payments by the original due date, and

- You enclose a copy of your federal Application for Automatic Extension, if filed by paper, and fill in the oval on the front of your NJ-1040; or
- You file Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by April 15, 2020. You can file an extension application online until 11:59 p.m., April 15, 2020, at *njtaxation.org*, or use the NJ-630 provided at the front of this booklet.

If you do not meet the requirements for an extension, or you do not file your return by the extended due date, we will deny your extension request and charge penalties and interest from the original due date of the return. (See "Penalties and Interest" on page 45.) You will not receive an approved copy of your extension request. We will notify you only if we deny your request, but not until after you actually file your return.

# Filling Out the Form Properly

- Use only a 2019 return for the 2019 Tax Year.
- Use only blue or black ink.
- Enter last name first on the return. This is different from the federal return.

- Use "State Wages" from box 16 of your W-2, not federal wages (box 1).
- Do not use dollar signs or dashes.
- Do not report a loss on Form NJ-1040 (see page 7).
- If a line does not apply to you, leave it blank. There is an exception for Use Tax, line 50. See page 37.
- To request a refund, you must enter an amount on line 76.

# Rounding

Instead of making dollars-and-cents entries on your return, you can round and use whole dollar amounts. If you round, do so for all lines, and enter "00" after the decimal for cents.

Round amounts of 50 cents or more up to the next whole dollar. For example, \$26.78 becomes \$27.00.

Round amounts of less than 50 cents down to the next whole dollar. For example, \$13.45 becomes \$13.00.

Round the total, not the amounts used to calculate the total. For example, the sum of \$13.45 and \$46.24 is \$59.69, which becomes \$60.00.

# **Terms to Know**

**Domicile.** A domicile is the place you consider your permanent home – the place where you intend to return after a period of absence (e.g., vacation, business assignment, educational leave). You have only one domicile, although you may have more than one place to live. Your domicile does not change until you move to a new location with the intent to establish your permanent home there and to abandon your New Jersey domicile. Moving to a new location, even for a long time, does not change your domicile if you intend to return to New Jersey. Your home, whether inside or outside New Jersey, is not permanent if you maintain it only for a temporary period to accomplish a particular purpose (e.g., temporary job assignment).

**Principal Residence.** A principal residence is a home you own or rent and actually occupy as your permanent residence. It does not include a vacation home, a "second home," or property you own and rent to someone else.

**Spouse/Civil Union Partner.** The term spouse also refers to a spouse who entered into a valid same-sex marriage in another state or foreign nation and a partner in a civil union (CU) recognized under New Jersey law.

# Line-by-Line Instructions Name and Address

Place the peel-off label from the front of this booklet in the name and address section at the top of the return. **Do not use the label if any of the information is incorrect.** If it has incorrect information or you do not have a label, print or type the information in the spaces provided. If you are filing jointly, include your spouse's name. Your refund and next year's form will be sent to the address you provide.

**Foreign Address.** Fill in the oval if your mailing address is outside the United States.

**Change of Address.** Fill in the oval if your address has changed since you last filed a New Jersey return or if any of the address information on your label is incorrect.

# **Social Security Number**

You must enter your Social Security number in the boxes provided on the return, one digit in each box. If you are filing jointly, enter both filers' numbers in the same order as the names.

If you (or your spouse) do not have a Social Security number, contact the Social Security Administration to apply for one. If you are not eligible for a Social Security number, contact the Internal Revenue Service to get an individual taxpayer identification number (ITIN). If you (or your spouse) applied for but have not received an ITIN by the return due date, enclose a copy of your federal Form W-7.

# **County/Municipality Code**

Enter the four-digit code of your current residence from the table on page 50. Enter one digit in each box.

# **Federal Extension Filed**

Fill in the oval if you filed a federal Application for Automatic Extension.

Enclose a copy of the federal extension request with your return if you filed it by paper.

For more information on extensions, see page 4.

# **Part-Year Residents**

If you were a New Jersey resident for only part of the year, list the month and day in the tax year your residency began and the month and day in the tax year it ended. For example, if you moved to New Jersey August 4, 2019, enter 08/04/19 to 12/31/19.

You must file a return if your income for the **entire year** (not just your period of New Jersey residency) was more than the filing threshold for your filing status (see page 3). Only report income you earned while a New Jersey resident.

You must prorate exemptions, deductions, credits, and the pension and other retirement income exclusions based on the number of months you were a New Jersey resident. For this calculation, 15 days or more is considered a month. If you received income from a New Jersey source while you were a nonresident, you must also file a New Jersey nonresident return.

#### **Fiscal Year Filers**

If you are a fiscal year filer, you must file your New Jersey Income Tax return by the 15th day of the fourth month following the close of the fiscal year.

Enter the month that your fiscal year ends in the boxes provided.

# Lines 1–5 – Filing Status

In general, you must use the same filing status as you do for federal purposes. Fill in only **one** oval.

**Single.** Your filing status is single if you were not married or a partner in a civil union on the last day of the tax year, and you do not qualify to file head of household or qualifying widow(er)/surviving CU partner.

**Married/Civil Union Couples.** If you are married and file a joint federal return, you must also file a joint New Jersey return. If you file separate federal returns, you must also file separate State returns. However, if you are a partner in a civil union, your filing status for New Jersey may not match your federal filing status.

If during the entire tax year one spouse was a resident and the other a nonresident, the resident can file a separate New Jersey return. The resident calculates income and exemptions as if a federal married, filing separate return had been filed. You have the option of filing a joint return, but in that case, your joint income would be taxed as if you both were residents.

If you are filing separately, enter your spouse's Social Security number in the boxes provided.

**Note:** You can file jointly or separately only if you were married or a partner in a civil union on the last day of the tax year.

**Head of Household.** You can use this filing status if you meet the requirements to file as head of household for federal purposes. For more information, visit the IRS website at *irs.gov*.

**Qualifying Widow(er)/Surviving CU Partner.** You can use this filing status if your spouse died in 2017 or 2018 and you meet the requirements to file as Qualifying Widow(er) with Dependent Child for federal purposes. For more information, visit the IRS website at *irs.gov*.

Fill in the oval indicating the year in which your spouse died.

**Civil Unions.** Partners in a civil union must file their New Jersey Income Tax returns using the same filing statuses as spouses under New Jersey Gross Income Tax Law. If you are a partner in a civil union, your New Jersey filing status may not match your federal filing status.

For more information, see GIT-4, Filing Status.

# **Exemptions – Lines 6–12**

Fill in the ovals that apply. For each line, enter a total in the boxes to the right and complete the calculation. The number of exemptions you are claiming must be entered in the boxes or the exemption(s) will be disallowed. The number of ovals filled in must equal the number of exemptions claimed.

# Line 6 – Regular Exemptions

You can claim a \$1,000 exemption for yourself and your spouse/CU partner (if filing a joint return) or your Domestic Partner.

**Note:** The domestic partnership must be registered in New Jersey by the last day of the tax year. You can only claim your domestic partner if they do not file a New Jersey return. You must enclose a copy of your Certificate of Domestic Partnership the first time you claim the exemption.

# Line 7 – Senior 65+

You can claim a \$1,000 exemption if you were 65 or older on the last day of the tax year (born in 1954 or earlier). If you are filing jointly, your spouse can take a \$1,000 exemption if they were 65 or older on the last day of the tax year. You **cannot** claim this exemption for your domestic partner or dependents.

You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records the first time you claim the exemption(s).

# Line 8 – Blind or Disabled

You can claim a \$1,000 exemption if you were blind or disabled on the last day of the tax year. If you are filing jointly, your spouse can take a \$1,000 exemption if they were blind or disabled on the last day of the tax year. You **cannot** claim this exemption for your domestic partner or dependents. You must enclose a copy of the doctor's certificate or other medical records evidencing legal blindness or total and permanent disability the first time you claim the exemption(s).

# Line 9 – Veteran Exemptions

**2019** Beginning with Tax Year 2019, the veteran exemption increased to \$6,000. You can claim this exemption if you are a military veteran who was honorably discharged or released under honorable circumstances from active duty any time before the last day of the tax year. If you are filing jointly, your spouse can also take this exemption if they are a military veteran who meets the requirements. You cannot claim this exemption for your domestic partner or dependents.

You must provide official documentation showing that you were honorably discharged or released under honorable circumstances from active duty the first time you claim the exemption(s). Your documentation must list your character of service (discharge).

A list of acceptable documentation and ways to submit it is available on our website at *njtaxation.org*.

# Line 10 – Qualified Dependent Children

You can claim a \$1,500 exemption for each child who qualifies as your dependent for federal tax purposes.

# Line 11 – Other Dependents

You can claim a \$1,500 exemption for each other dependent who qualifies as your dependent for federal tax purposes.

# Line 12 – Dependents Attending College

You can claim an additional \$1,000 exemption for each dependent student if all the requirements below are met. You **cannot** claim this exemption for yourself, your spouse, or your domestic partner.

- Student must be claimed as a dependent on line 10 or 11.
- Student must be under age 22 on the last day of the tax year (born 1998 or later).
- Student must attend full-time. Full-time is determined by the school.
- Student must spend at least some part of each of five calendar months of the tax year at school.
- The educational institution must be an accredited college or post-secondary school, maintain a regular faculty and curriculum, and have a body of students in attendance.
- You must have paid one-half or more of the tuition and maintenance costs for the student. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in college work study programs is income and is taken into account.

# Line 13 – Total Exemption Amount

Add the amounts on lines 6 through 12 and enter the total. Add the amounts from the lines, not the numbers in the boxes.

# Line 14 – Dependent Information

Enter the full name, Social Security number, and birth year for each dependent child or other dependent you claimed on line 10 or 11. Fill in the oval for each dependent who does not have health insurance coverage (including NJ Family Care/Medicaid, Medicare, private, or other health insurance) on the date you file the return.

Enter the same Social Security number, individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN) for each dependent that you entered on your federal return. If you do not provide a valid Social Security number, ITIN, or ATIN for a dependent, the exemption will be denied.

If you have more than four dependents, enter the information for your first four dependents on the lines provided. Enclose a statement listing the information for your additional dependents.

**Note:** If you qualify for the New Jersey Earned Income Tax Credit (see instructions for line 57) and you listed a "qualifying child" on your federal Schedule EIC who is not claimed as your dependent for New Jersey purposes, you must enter the child's name, Social Security number, and birth year.

# Income Lines 15–26

Gross income means **all** income you received in the form of money, goods, property, and services unless specifically exempt by law. You must report taxable income from everywhere, whether from inside or outside the State (worldwide). Report all income on the proper lines. For example, do not enter pension income on the wage line.

Accounting Method. Use the same accounting method for New Jersey Income Tax that you used for federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for federal purposes.

**Reporting Losses.** If you have a net loss in any category of income, remember the following:

- You cannot report a loss on your NJ-1040 (e.g., in parentheses or as a negative number).
- You can net losses with gains in the same category of income. For example, you can subtract gambling losses from gambling winnings during the tax year.
- You cannot apply a net loss in one category of income against income or gains in a different category on your NJ-1040. For example, you cannot subtract gambling losses from your wages.

- If you have a net loss in any income category, make no entry on that line of your NJ-1040. Do not enter zero. Do not enter the amount of the loss in parentheses or as a negative number.
- No carryback or carryover of losses is allowed when reporting income on your NJ-1040.

**Income Taxed by Another Jurisdiction.** If you have income that is taxed both by New Jersey and another jurisdiction outside New Jersey, you may be eligible for a credit against your New Jersey tax. (See instructions for line 42.)

# Line 15 – Wages, Salaries, Tips, etc.

Enter the total of State wages, salaries, tips, bonuses, commissions, etc. from **all** employment both inside and outside New Jersey. Take the amount from box 16 of your W-2 (see sample on page 9). Include all payments whether in cash, benefits, or property.

If you were employed outside New Jersey, you may need to adjust your wages to reflect New Jersey tax law. For example, if you had a Section 125 cafeteria plan that is taxable for New Jersey purposes but is not included in box 16 of your W-2, you must add that amount back into your State wages.

**Retirement Plans.** Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in State wages on the W-2 in the year the wages are earned. This may cause your State wages (box 16) to be higher than your federal wages (box 1).

**Meals and/or Lodging.** You can exclude meals and/or lodging reported as wages on your W-2 if:

- 1. The meals and/or lodging were provided on the business premises of your employer; and
- 2. The meals and/or lodging were provided for the convenience of your employer; and

#### For lodging only:

3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you **must** enclose a signed statement explaining how you met these conditions. If you do not enclose the statement, your wages will be changed back to the full amount shown on your W-2.

New Jersey State Police officers **cannot** exclude food and maintenance payments received as part of their union contract. These payments do not meet the criteria on page 8.

**Employee Business Expenses.** Employee business expenses are **not** deductible for New Jersey tax purposes. However, you can exclude reimbursements for employee business expenses reported as wages on your W-2 if:

- 1. The reimbursements are for job-related expenses;
- 2. You are required to and do account for these expenses to your employer; and
- 3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you received excludable reimbursements for employee business expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons. Also, enclose a copy of your federal Form 2106.

**Federal Statutory Employees.** If you are considered a "statutory employee" for federal tax purposes, you cannot deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The federal label of "statutory employee" has no meaning for New Jersey tax purposes. Business expenses can only be deducted from the business income of a self-employed individual. See the instructions for Schedule NJ-BUS-1, Part I (Net Profits From Business) on page 16.

**Moving Expenses.** Moving expenses are **not** deductible for New Jersey Income Tax purposes.

You can, however, exclude reimbursements for the following moving expenses if you met the federal requirements to claim moving expenses that were in effect on December 31, 2017, **and** the expenses were included in wages on your W-2:

- 1. The cost of moving your household goods and personal effects from the old home to the new home.
- 2. The actual expenses you incurred for traveling, meals, and lodging when moving yourself and your family from your old home to your new home.

Reimbursements for any other moving expense cannot be excluded from income.

If you received excludable reimbursements for moving expenses that were included in wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons.

**Compensation for Injuries or Sickness.** Certain amounts received for personal injuries or sickness are not subject to tax. You can exclude such amounts included as wages on your W-2 if:

- 1. The payments were compensation for wage loss that resulted from absence due to your injury or sickness; and
- 2. The payments were due and payable under an enforceable contractual obligation under the plan; and
- 3. The payments were not related to sick leave wage continuation, which is largely discretionary and payments are made regardless of the reason for absence from work.

If such payments are included in wages on your W-2, enclose Form NJ-2440.

# Sample W-2 (This form is for illustration only and is not reproducible.)

You must enclose all W-2s with your tax return. **Do not** attach them to your return.

If you paid taxes to another jurisdiction on wages entered on this line, see the instructions for line 42.

**Part-Year Residents.** You must determine from each W-2 the portion of your "State wages, tips, etc." (box 16) that you earned while you were a New Jersey resident. If your W-2 includes only wages you earned while you were a resident, use the amount from box 16. If your employer did not separate your resident and nonresident wages on the W-2, you must apportion the amount in box 16 according to the time you lived in New Jersey. Include only the actual amount you earned while you were a resident.

If the total amount reported on a W-2 is for income from an out-of-state source while you were a nonresident, do not include that income on your resident return.

# Line 16a – Taxable Interest Income

Enter all of your taxable interest from sources both inside and outside New Jersey.

Common sources of taxable interest:

- Banks
- Savings and loan associations
- Credit unions
- Savings accounts
- Checking accounts
- Bonds and notes
- Certificate of deposit
- Life insurance dividends
- Earnings on nonqualified distributions from qualified state tuition program accounts including NJBEST (New Jersey Better Educational Savings Trust program) accounts

- Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion
- Ginnie Maes, Fannie Maes, Freddie Macs

- Obligations of states and their political subdivisions, other than New Jersey
- Grantor trusts
- Any other interest not specifically exempt

#### Do not include on this line:

• Interest that was earned and paid to a sole proprietorship, a partnership, or an S corporation. Report on Schedule

NJ-BUS-1. **Note:** If you received a Form 1099 from a partnership or an S corporation for interest paid or deemed to have been paid to you, you must include that interest on line 16a.

• Interest that was earned and paid to an estate or trust (other than a grantor trust). Report on line 26.

**Forfeiture Penalty for Early Withdrawal.** If you incur a penalty by withdrawing a time deposit early, you can subtract the amount of the penalty from your interest income.

If line 16a is more than \$1,500, enclose a copy of Schedule B, federal Form 1040.

**Part-Year Residents.** Include only the interest you received while you were a resident of New Jersey.

# Line 16b – Tax-Exempt Interest Income

Enter all of your tax-exempt interest, including the exempt portion of a distribution from a New Jersey qualified investment fund. **Do not** include interest earned on your IRA(s) on this line. If you made a withdrawal from your IRA, see the instructions for lines 20a and 20b.

For more information on tax-exempt interest income and New Jersey qualified investment funds, see GIT-5, *Exempt Obligations*.

Enclose If line 16b is more than \$10,000, you must enclose a listing of the amount received from each source. If the total of lines 16a and 16b is different from the federal interest total, enclose a statement explaining the difference.

**Part-Year Residents.** Include only the interest you received while you were a resident of New Jersey.

#### Line 17 – Dividends

Do not include on this line:

- Dividends that were earned and paid to a sole proprietorship, a partnership, or an S corporation. Report on Schedule NJ-BUS-1. For more information on reporting partnership or S corporation income, see GIT-9P, *Income From Partnerships*, or GIT-9S, *Income From S Corporations*.
- Dividends that were earned and paid to an estate or trust (other than a grantor trust). Report on line 26.

**Capital Gains Distributions.** Do not report capital gains distributions you received from mutual funds or other regulated investment companies on this line. Report this income on line 2, Schedule NJ-DOP.

**Tax-Free Distributions.** A distribution that is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

**Insurance Premiums.** Dividends you received from insurance companies are not taxable unless the amount you received is more than the premiums paid. Any interest from accumulated insurance dividends is taxable, and you must report it on line 16a.

**Part-Year Residents.** Include only the dividends you received while you were a resident of New Jersey.

# Line 18 – Net Profits From Business

Enclose Schedule NJ-BUS-1 and a copy of the federal Schedule C (or C-EZ or F) for each business with your return.

# Line 19 – Net Gains or Income From Disposition of Property

Enclose Schedule NJ-DOP with your return.

# **Schedule NJ-DOP** Net Gains or Income From Disposition of Property

Report your capital gains and income from the sale or exchange of property. You can deduct the expenses of the sale and your basis in the property from the sales price. In general, when calculating your gain or loss, you will use the cost or adjusted basis that you used for federal purposes. However, if you sold an interest in a partnership, a sole proprietorship, or rental property, you may be required to use a New Jersey adjusted basis. If you sold S corporation shares, you **must** use your New Jersey adjusted basis.

**Sale of Principal Residence.** Capital gain is calculated the same way as for federal purposes. Any amount that is taxable for federal purposes is taxable for New Jersey purposes. You may qualify to exclude all or part of the gain from your income. For more information on reporting capital gains for the sale of a principal residence, visit the IRS website at *irs.gov*.

**Installment Sales.** You must report all gains from installment sales in the same year as they are reported for federal purposes. If the New Jersey basis is different from the federal basis, you must make a New Jersey installment sale calculation and report the New Jersey gain.

**Depreciation and Expense Deduction.** New Jersey and federal depreciation and expense deduction limits are different. A New Jersey depreciation adjustment may be required for assets placed in service on or after January 1, 2004. Complete the Gross Income Tax Depreciation Adjustment Worksheet GIT-DEP to calculate the adjustment.

**Complete Liquidation.** If you had an interest in a partnership, sole proprietorship, or S corporation that sold or disposed of virtually all of its assets in conjunction with the complete liquidation of the entity, you must report your portion of the gain or loss from the sale or disposition of those assets.

#### Line 1: List of Transactions

List any New Jersey taxable transaction(s) as reported on your federal Schedule D, indicating the gain or loss for each transaction in column f. In listing the gain or loss on disposition of rental property, you must take into consideration the New Jersey adjustment from Worksheet GIT-DEP, Part 1, line 6.

Do not include gains or losses from the sale of exempt obligations. See GIT-5, Exempt Obligations.

There is no distinction between active and passive losses for New Jersey purposes. You cannot carry back or carry forward such losses when reporting income on Form NJ-1040. You can deduct federal passive losses in full in the year incurred against any gain within the same category of income, but only in the year that it occurred.

#### Line 2: Capital Gains Distributions

Enter your capital gains distributions from Form 1099-DIV(s) or similar statement(s). Do not include capital gains from a New Jersey Qualified Investment Fund that are attributable to qualified exempt obligations or gains from mutual funds to the extent attributable to federal obligations. For more information on New Jersey qualified investment funds, see GIT-5, *Exempt Obligations*.

#### Line 3: Other Net Gains

Enter the net gains or income less net losses from disposition of property not included on lines 1 or 2 of Schedule NJ-DOP.

#### Line 4: Net Gains

\*The expected return on the contract is the amount receivable. If life expectancy is a factor under your plan, you must use federal actuarial tables to calculate the expected return. The federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.

(Keep for your records)

# Line 20a – Pensions, Annuities, and IRA Withdrawals

Retirement income such as pensions, annuities, and certain IRA withdrawals is taxable in New Jersey. The New Jersey taxable amount may be different from the federal amount. Enter the taxable portion on line 20a.

Common types of taxable retirement income:

- Pensions from the private sector
- Federal, state, and local government, and teachers' pensions
- Keogh Plan distributions
- 401(k) Plan distributions
- Early retirement benefits
- Amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065
- Civil Service pensions and annuities, even if based on credit for military service. These are received from the U.S. Office of Personnel Management.

Common types of nontaxable retirement income (do not report on this return):

- Social Security benefits
- Railroad Retirement benefits
- Public or private disability pension benefits until the year you turn 65. Beginning with the year you turn 65, the benefits are treated as ordinary pension income.
- U.S. Military pensions and survivor's benefit payments (Most are received from the U.S. Department of Finance and Accounting Service.)

**Part-Year Residents.** Include only the taxable amounts you received while you were a resident of New Jersey.

#### **Types of Retirement Plans**

Retirement plans are either noncontributory or contributory.

**Noncontributory.** You made no contributions to your plan. Amounts you receive from these plans are fully taxable. Enter the amount from your 1099-R on line 20a.

**Contributory (Other Than IRAs).** You made contributions to your plan. Contributions are usually made through payroll deductions and, in general, are taxed when they are made. Contributions made to a retirement plan (other than a 401(k) Plan) prior to moving to New Jersey are considered to have been previously taxed. These plans also may include employer contributions and earnings, which have not been taxed.

Since you have already been taxed on your contributions, you must determine which portion of your distribution is taxable and which is excludable. There are two methods of calculating the taxable and excludable amounts: Three-Year Rule Method and General Rule Method. To determine which method to use, complete Worksheet A on page 12 the year you begin receiving pension and annuity payments.

**Note:** If you received a distribution from a 401(k) Plan, do not complete Worksheet A. See the section on 401(k) Plans on page 13. If you made a withdrawal from an IRA, do not complete Worksheet A or B. Instead, complete Worksheet C. See the section on IRAs on page 15.

**Three-Year Rule Method.** Use this method if you will recover all your contributions within 36 months from the date you receive your first payment from the plan, and both you and your employer contributed to the plan.

Do not report pension and annuity payments as income on line 20a until you have recovered all of your contributions. Instead, report these amounts on line 20b. Once you have recovered your contributions, the payments you receive are fully taxable and must be reported on line 20a.

**General Rule Method.** You must use this method if you will not recover your contributions within 36 months from the date you receive your first payment from the plan *or* if your employer did not contribute to the plan. Part of your pension is excludable and part is taxable every year. The excludable amount represents your contributions. Complete Worksheet B in the year you receive your first payment from the plan and keep it for your records. You will need it for calculations in future years. Recalculate the percentage on line 3 of Worksheet B only if your annual pension payments decrease.

#### Lump-Sum Distributions and Rollovers

When you receive a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan, any amount that exceeds your previously taxed contributions must be included in your income in the year received. New Jersey has no provision for income averaging of lump-sum distributions. Report the taxable amount on line 20a and the excludable amount on line 20b.

If you roll over a lump-sum distribution from an IRA or a qualified employee pension or annuity plan into an IRA or other eligible plan, do not report the rollover on line 20a or 20b if it qualifies for deferral for federal tax purposes. The amount rolled over (minus previously taxed contributions) will be taxable when it is withdrawn.

#### 401(k) Plans

 Contributions made on or after January 1, 1984, were not taxed when they were made. If all of your contributions were made on or after that date, your distributions are fully taxable unless your contributions exceed the federal limit. If your contributions exceed the federal limit, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.

2. Contributions made before January 1, 1984, were taxed when they were made. If you made contributions before that date, you must calculate the taxable and excludable portions of your distributions using one of the methods described under contributory plans.

For more information on pension and annuity income, see GIT-1 and 2, *Retirement Income*.

#### IRAs

Your IRA consists of contributions, earnings, and certain amounts rolled over from pension plans. In general, your contributions were taxed when they were made and are not taxable when you make a withdrawal. All the earnings and any amounts rolled over tax-free are taxable when withdrawn.

Use Worksheet C to calculate the taxable and excludable portions of your IRA withdrawal. If you made withdrawals from multiple IRAs, you can use a separate worksheet for each or combine all IRAs on one worksheet.

**Lump-Sum Withdrawal.** If you withdraw the total amount from an IRA, all the earnings and any amounts rolled over tax-free are taxable. You must report these amounts in the year you make the withdrawal.

**Periodic Withdrawals.** If you make withdrawals over a period of years, the part of the annual distribution that represents earnings is taxable. The amount taxable for New Jersey purposes may be different from the amount you report on your federal return.

For more information on IRA withdrawals, see GIT-1 and 2, *Retirement Income*.

#### **Roth IRAs**

Your contributions to a Roth IRA were taxed by New Jersey when they were made. Distributions from a Roth IRA that meet the requirements of a qualified distribution are excludable. Do not include qualified distributions on Form NJ-1040. If you received a nonqualified distribution, you must report the earnings on line 20a, and report the excludable portion on line 20b. A distribution that is considered nonqualified for federal purposes is also considered nonqualified for New Jersey purposes.

If you converted an existing IRA to a rollover Roth IRA during Tax Year 2019, any amount from the existing IRA that would be taxable if withdrawn must be included on line 20a.

For more information on Roth IRAs, see Technical Bulletin TB-44.

**IRA withdrawal.** Include the amount from Worksheet C, line 8. If you converted an existing IRA to a rollover Roth IRA, report the excludable portion on this line.

**Lump-Sum Distribution.** If you received a lump-sum distribution from a pension, annuity, or IRA, report the excludable portion on this line.

For more information, see GIT-1 and 2, Retirement Income.

**Part-Year Residents.** Include only the amounts you received while you were a resident of New Jersey.

If you meet the eligibility requirements, complete line 38a, and either line 39 or 55.

Note: Contact your building manager or the municipal tax collector if you are not sure whether the place you live is subject to property taxes.

#### **Eligibility Requirements:**

- You were domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 2019.
- Your principal residence, whether owned or rented, was subject to property taxes that were paid either as actual property taxes or through rent.
- If you rented your principal residence, it had its own separate kitchen and bathroom that you did not share with occupants of other units in the building.
- If your principal residence was a unit in a multi-unit property you owned, the property had no more than four units, and no more than one of those was a commercial unit.
- Your income on line 29 is more than the filing threshold amount for your filing status (see page 3). If you (and/or your spouse if filing jointly) were 65 or older or blind or disabled on the last day of the tax year and you were not required to file a return, see "Seniors or Blind/Disabled Persons Not Required to File Form NJ-1040" below.

You are **not** eligible for a deduction or credit:

- For a vacation home, second home, or any other property you do not reside in permanently.
- If you are a disabled veteran with a 100% exemption from property taxes on your principal residence. (However, if part of the property was rented to a tenant, the tenant may be eligible.)
- If you were a homeowner who made P.I.L.O.T. (Payments-In-Lieu-of-Tax) payments.
- If you were a tenant in a tax-exempt property (e.g., subsidized and campus housing, property owned by nonprofit organizations, residence on which P.I.L.O.T. payments were made).

#### Seniors or Blind/Disabled Persons Not Required to File Form NJ-1040

If you (or your spouse if filing jointly) were 65 or older or blind or disabled on the last day of the tax year, and your income on line 29 is \$20,000 or less (\$10,000 if filing status is single or married/CU partner, filing separate return), and you met the eligibility requirements, you qualify for a Property Tax Credit.

If you are eligible for a Property Tax Credit, and you:

• Are eligible and file for a 2019 Homestead Benefit because you were a New Jersey homeowner on October 1, 2019, your credit will automatically be included with your Homestead Benefit. If you are filing Form NJ-1040, do not complete line 39 or line 55.

Information on the Homestead Benefit is available on our website at *njtaxation.org*.

• Are not eligible for a 2019 Homestead Benefit because you were not a homeowner on October 1, 2019, you can claim the Property Tax Credit on Form NJ-1040 or you can file for the Property Tax Credit using Form NJ-1040-HW only (see page 47). Do not file both Form NJ-1040 and Form NJ-1040-HW.

# Line 38a – Total Property Taxes (18% of Rent) Paid

If you met the eligibility requirements on page 23, read the following to determine the correct amount to enter on line 38a.

**Multi-Owner Properties.** If you owned your principal residence with someone who was not your spouse, you can use only the amount of property taxes paid that reflects your percentage of ownership in the property, even if you were the only one who occupied the property and you paid all the taxes.

**Multi-Unit Properties.** If your principal residence was a unit in a multi-unit property that you owned, you can use only the property taxes paid for the percentage of the property you occupied.

- The unit must be a single, separate dwelling unit with complete independent living facilities. There must be permanent provisions for living, sleeping, eating, cooking, and sanitation. The unit must have a separate kitchen and bathroom.
- The property must contain four units or less, and no more than one of those units can be a commercial unit.

**Condominiums and Co-ops.** Condominiums and co-ops are considered single-family homes. For tax purposes, they are not multi-unit properties.

**Continuing Care Communities.** If you pay the proportionate share of property taxes attributable to your unit, you are considered a homeowner.

**Life Tenancy.** If you have life tenancy rights or hold a lease for 99 years or more, you are considered a homeowner.

**Mobile Homeowners.** You are considered a tenant if you owned a mobile home that was located in a mobile home park. Property taxes paid means 18% of the site fees paid for 2019.

Answer the following questions before completing line 38a:

Did you have more than one principal residence in New Jersey during the year?	Yes	No
Did you share ownership of your principal residence with someone who is not your spouse?	Yes	No
Was your principal residence a unit in a multi- unit property that you owned?	$\bigcirc^{\text{Yes}}$	No
Did you occupy and share rent for your principal residence (apartment/rental unit) with someone who was not your spouse during the year?	Yes	No
Were you both a homeowner and a tenant in New Jersey during the year?	Yes	No

If you answered "Yes" to any question above, complete Worksheet G on page 25 to determine the amount to report.

If you answered "No" to all the questions above, report the property taxes due and paid as follows:

#### Tenants

Enter 18% of the rent paid for 2019. This is the amount that is considered property taxes. If you were a mobile homeowner, enter 18% of the site fees paid for 2019.

#### Homeowners

Enter the amount of property taxes due and paid to the municipality on your principal residence for 2019.

**Homestead Benefit Recipients.** If you received a Homestead Benefit as a credit on your 2019 property tax bill (not as a check), calculate your property taxes paid as follows:

Property taxes paid on your principal	+	Your Homestead
residence for 2019	1	Benefit credit

If you received a Homestead Benefit as a check, use the amount of property taxes due and paid on your principal residence for 2019.

If you need information on your Homestead Benefit payment, visit *njtaxation.org* or call 1-888-238-1233.

**Married, Filing Separately.** If you and your spouse file separate returns but maintained the same principal residence, enter on line 38a only one-half of the property taxes (one-half of 18% of rent) due and paid.

**Part-Year Residents.** Only include amounts due and paid while you were a resident of New Jersey.

# Worksheet G

#### Part I – Homeowners

#### Principal Residences Owned in New Jersey (Lines 1–3)

List the address of each qualified New Jersey residence you owned and occupied as your principal residence during 2019. Complete columns a through e for each address. If you lived for part of the year in a residence that was not a qualified residence, do not include any information for that residence. For example, you owned a five-unit property and used one of the units as your principal residence.

If you were both an owner and a tenant at the same address, enter the required information in both Part I and Part II.

#### Column a

Enter the number of days you owned and occupied this home as your principal residence in 2019. If this was your residence all year, enter 365. The total number of days in Part I and Part II cannot be more than 365.

#### Column b

Enter the share (percentage) of this property you (and your spouse) owned. Enter the figure as a decimal. If you (and your spouse) were the sole owner(s), enter 1.00 for 100%. If you owned 50% of the property with someone who was not your spouse, you would enter 0.50. You must enter your percentage of ownership even if there are multiple owners and you were the only one who occupied the property and you paid all the taxes.

**Example:** You and your wife owned a single-family home with your sister. You lived in the home with your wife. Your sister did not live with you, and you and your wife paid all the property taxes. You must enter 0.50 because you and your wife owned only one-half (50%) of the property.

#### Column c

If this property consisted of more than one unit, enter the share (percentage) of the property you (and your spouse) used as your principal residence. Enter the figure as a decimal. For example, enter 25% as 0.25. The units in a multi-unit property are considered equal in size unless the local tax assessor has determined they are not equal.

**Example:** You owned a four-unit property. The units were equal in size, and one of the units was your principal residence. You must enter 0.25 because you occupied one-fourth (25%) of the property as your principal residence.

#### Column d

Enter the total property taxes paid on this property for 2019 for the period indicated in column a. If you received a Homestead Benefit, see "Homestead Benefit Recipients" on page 24.

#### Column e

Multiply the decimal in column c by the property tax amount in column d. If there is no figure in column c, use the decimal in column b. Enter the result in column e.

**Example:** Total property taxes paid were \$2,000. Column b is 1.00, and column c is 0.50. The calculation for column e is  $0.50 \times $2,000 = $1,000$ .

#### Line 4: Property Taxes

Add your share of property taxes paid in column e, lines 1 through 3, and enter the total.

# Part II – Tenants

#### Principal Residences Rented in New Jersey (Lines 5-7)

List the address of each qualified New Jersey residence you rented and occupied as your principal residence during 2019. Complete columns a through d for each address. If you lived for part of the year in a residence that was not a qualified residence, do not include any information for that residence. For example, you rented an apartment in a building that is exempt from property taxes.

If you were both an owner and a tenant at the same address, enter the required information in both Part I and Part II.

#### Column a

Enter the number of days you rented and occupied this home as your principal residence in 2019. If this was your residence all year, enter 365. The total number of days in Part I and Part II cannot be more than 365.

#### Column b

If you lived with someone who was not your spouse and shared the rent with them, enter the total number of tenants who shared the rent, including yourself. For this purpose, spouses are considered one tenant.

#### Column c

Enter the total amount of rent paid by all tenants, including yourself, during 2019 for the period indicated in column a.

#### Column d

Divide the amount in column c by the number in column b, and enter the result in column d.

#### Line 8: Rent

Add your share of rent paid in column d, lines 5 through 7, and enter the total.

#### Line 9: Allowable Portion of Rent

Multiply the amount on line 8 by 18% (0.18) and enter the result.

# Part III – Total

#### Line 10: Total

Add line 4 and line 9. Enter the total here and on line 38a, Form NJ-1040. If your filing status is married/CU partner, filing separately, enter one-half of this amount on line 38a.

# Line 38b – Property Information (Homeowners Only)

Enter the block and lot numbers of the property that you owned and occupied as your principal residence on December 31, 2019, as long as property taxes were paid on that home. If you were not a homeowner on December 31, enter the information for the last home you owned and occupied in New Jersey during the year. Include qualifier, if applicable (condominiums only). You can get this information from your property tax bill or from your local tax collector. If you were a tenant, make no entry

Enter numbers in the boxes like this:

(001				Jun J
Qua	lifier	: 132	245	
1	3	2	4	5

# Line 38c – County/Municipality Code (Homeowners Only)

Enter the four-digit code for the block and lot number you entered on line 38b. See table on page 50. If you completed Worksheet G, fill in the oval.

## Line 38d – Homeowner/Tenant Status

Fill in only one oval to indicate whether you were a homeowner, a tenant, or both a homeowner and tenant during 2019.

# Line 39 – Property Tax Deduction

If you met the eligibility requirements on page 23, you can take either a Property Tax Deduction of up to \$15,000 (\$7,500 if you and your spouse file separate returns but maintained the same principal residence) or a Property Tax Credit.

There are two ways to determine whether you will get a greater benefit by taking a deduction on line 39 or a credit on line 55. If you:

- Are not claiming a credit for taxes paid to other jurisdictions, complete Worksheet H.
- Are claiming a credit for taxes paid to other jurisdictions, first complete lines 1 and 2 of Worksheet H. Then complete Schedule NJ-COJ and Worksheet I (See instructions for Schedule NJ-COJ on page 30.)

If you will receive a greater benefit by taking the deduction, enter on line 39 the amount of the Property Tax Deduction from Worksheet H or Schedule NJ-COJ and make no entry on line 55.

For each column, enter the amount from line 37, Form NJ-1040.

**Note:** If you are claiming a credit for taxes paid to other jurisdictions, do not complete lines 3 through 8. Complete Schedule NJ-COJ and Worksheet I.

#### Line 4: Property Tax Deduction

Enter in column A the amount from line 2, Worksheet H.

#### Line 5: New Jersey Taxable Income

For each column, subtract line 4 from line 3 and enter the result.

#### Line 6: Tax on Line 5

For each column, enter the amount of tax on the income shown on line 5. Use the Tax Table on page 52 or the Tax Rate Schedules on page 61 to calculate the amount.

#### Lines 7 and 8: Deduction/Credit Determination

To determine whether a deduction or a credit is better for you, subtract line 6, column A from line 6, column B and enter the result on line 7. If the amount on line 7 is \$50 or more (\$25 if you and your spouse file separate returns but maintained the same principal residence), you will receive a greater benefit by taking the Property Tax Deduction.

If the amount on line 7 is less than \$50 (\$25 if you and your spouse file separate returns but maintained the same principal residence), you will receive a greater benefit by taking the Property Tax Credit. Follow the instructions on Worksheet H for completing lines 39, 40, 41, and 55, Form NJ-1040.

**Part-Year Residents.** You can claim a deduction or credit for property taxes or 18% of rent due and paid during the time you were a resident. When completing line 8, prorate the \$50 (\$25 if you and your spouse file separate returns but maintained the same principal residence) based on the number of months you occupied your New Jersey residence. Compare the prorated amount to line 7, and if the credit is more beneficial, enter the prorated amount on line 55.

# Line 40 – New Jersey Taxable Income

Subtract line 39 from line 37 and enter the result. If you did not claim a Property Tax Deduction, enter the amount from line 37.

# Line 41 – Tax on Amount on Line 40

Calculate your tax using one of the following methods and enter the amount on line 41.

**Tax Table.** If line 40 is less than \$100,000, you can use the New Jersey Tax Table on page 52 or the New Jersey Tax Rate Schedules on page 61 to find your tax. If you use the tax table, use the correct column for your filing status.

**Tax Rate Schedules.** If line 40 is \$100,000 or more, you must use the New Jersey Tax Rate Schedules on page 61. Use the correct schedule for your filing status.

# Line 42 – Credit for Income Taxes Paid to Other Jurisdictions (COJ)

You may be able to claim a credit if you had income from outside New Jersey. Complete Schedule NJ-COJ to calculate the credit and enter the amount on line 42. If you complete more than one Schedule NJ-COJ, add the credits from each schedule and enter the total. The credit on line 42 cannot be more than your tax on line 41. Enter the jurisdiction code from the chart below in the boxes provided on line 42. If you are claiming a credit for more than one jurisdiction, use the code for "Multiple Jurisdictions."

# Schedule NJ-COJ Credit for Income or Wage Taxes Paid to Other Jurisdictions

Complete this schedule only if you had income from outside New Jersey that was taxed by another jurisdiction and subject to New Jersey Income Tax in the same tax year. The credit reduces your New Jersey tax based on the percentage of income that was taxed by other jurisdictions. It is not necessarily a dollar-for-dollar credit. You cannot take a credit for taxes paid to the U.S. Government, Puerto Rico, or any other country or territory.

**Compensation From Pennsylvania.** There is a Reciprocal Personal Income Tax Agreement between New Jersey and Pennsylvania. Compensation (salaries, wages, tips, fees, commissions, bonuses, and other payment for services rendered as an employee) paid to New Jersey residents employed in Pennsylvania is not subject to Pennsylvania income tax. Therefore, you cannot claim a credit for taxes paid to Pennsylvania on that type of income. However, other types of income (e.g., self-employment, gain from sale of property) are not covered by the agreement and may be eligible for the credit. The Reciprocal Agreement does not apply to the wage or income tax of Philadelphia or any other municipality in Pennsylvania.

**Different Jurisdictions Tax the Same Income.** You may need to complete more than one Schedule NJ-COJ. See "Same Income Taxed by More Than One Jurisdiction" on page 31.

**Different Jurisdictions Tax Different Income.** You must complete a separate Schedule NJ-COJ for each jurisdiction. For more information, see GIT-3W, *Credit for Income Taxes Paid to Other Jurisdictions (Wage Income)*, or GIT-3B, *Credit for Income Taxes Paid to Other Jurisdictions (Business/Nonwage Income)*.

Jurisdiction Imposes More Than One Type of Tax. You may need to complete a separate Schedule NJ-COJ for each type of tax. For more information, see GIT-3W, *Credit for Income Taxes Paid to Other Jurisdictions (Wage Income)*, or GIT-3B, *Credit for Income Taxes Paid to Other Jurisdictions (Business/Nonwage Income)*.

**Property Tax Deduction/Credit (Worksheet I).** If you are eligible for a Property Tax Deduction or Credit (see requirements on page 23), complete Schedule NJ-COJ, and then complete Worksheet I on page 34 to determine whether you receive a greater benefit from the Property Tax Deduction or the Property Tax Credit. If you are claiming a credit for taxes paid to another jurisdiction but you are not eligible for a Property Tax Deduction or Credit, only complete column B of Schedule NJ-COJ.

Documentation. Keep complete copies of any returns filed with other jurisdictions. You may be asked to provide the following:

- A complete copy of the income tax return filed with the other jurisdiction if one was filed or required to be filed. Include all schedules, worksheets, etc., that establish the nature and source of the income being taxed by the other jurisdiction.
- If you participated in a composite return filed in another jurisdiction, submit a statement, on the filing entity's letterhead, that lists the jurisdiction, your share of the gross income taxed by the other jurisdiction, and your share of the tax paid.
- If you do not have to file a return with the other jurisdiction, include either a W-2 that lists the wage taxes paid and the name of the taxing jurisdiction, or a statement from the business entity that filed an income-based tax return. The statement must include your share of the gross income taxed by the other jurisdiction, the name of the tax, and your share of the tax paid.

#### Line 1 – Income Properly Taxed by Both New Jersey and Other Jurisdiction

Only include income that meets all of the following criteria when completing line 1:

- 1. The income must be taxed by both New Jersey and a jurisdiction outside New Jersey, and
- 2. The income must have been properly taxed by the other jurisdiction, and
- 3. The amount of each item of income taxed by the other jurisdiction cannot be more than the amount of that item of income taxed by New Jersey, and
- 4. The income cannot be deemed allocated to New Jersey.

Enter the gross amount received after adjustments have been made by the other jurisdiction, but before personal exemptions and/or itemized deductions are subtracted. For an accurate income figure, first complete the tax return for the state in which you worked. Any income included on line 1 must also be included on line 2 since the income has to be taxed by both New Jersey and the other jurisdiction. Therefore, the amount on line 1 cannot be more than the amount on line 2. Also enter the name of the taxing jurisdiction in the space provided.

Do not include on line 1:

- Income that is not subject to New Jersey Income Tax (e.g., unemployment compensation).
- Income excluded or deducted in arriving at the income actually taxed in the other jurisdiction (e.g., IRA/Keogh contributions, employee business expenses, moving expenses, alimony).
- Interest, dividends, gains on sales of securities, and other income from intangible personal property (savings accounts, stocks, bonds) unless (1) the income was derived from a business, trade, or profession carried on in the other jurisdiction, or (2) you are required to file a resident return with both New Jersey and the other jurisdiction and report the income on both returns.
- Income subject to tax by a foreign country, U.S. possession, or territory.
- S corporation income allocated to New Jersey.
- Partnership income allocated to New Jersey.
- 401(k) contributions.

**Same Income Taxed by More Than One Jurisdiction.** If you pay tax to two jurisdictions on the same income, and the jurisdictions tax the **same** amount of income, complete only one Schedule NJ-COJ. Example: You have wages that are taxed by both city A and state B. Both the city and the state tax the full amount of your wages. Complete one Schedule NJ-COJ, reporting the full amount of wages.

However, if the jurisdictions tax **different** amounts of income, complete a separate Schedule NJ-COJ for each amount. On the first schedule, include the income amount taxed by both jurisdictions. On the second schedule, include only the difference in the two amounts. Example: You have \$150,000 in income from a business in city Y, which is in state Z. You report the entire amount on your

#### 2019 Form NJ-1040

New Jersey return. State Z taxed \$120,000 of the income and the tax on that amount was \$8,200. City Y taxed \$140,000 of the income and the tax on that amount was \$5,600. Since the two jurisdictions taxed different amounts, you must complete two Schedule NJ-COJs.

*First Schedule NJ-COJ:* Indicate the jurisdiction as "city Y and state Z," and enter \$120,000 on line 1. To determine the credit on that \$120,000, add together \$8,200 paid to state Z and \$4,800 paid to city Y. (\$4,800 is the tax paid on \$120,000. You cannot use the full \$5,600 since that is the tax paid on \$140,000. You can use only the tax paid on the amount of income entered on line 1.) Enter the total in box 9a, line 9. Compare the allowable credit calculated on line 8, Schedule NJ-COJ to the amount in box 9a (\$13,000). The credit is the lesser of line 8 or box 9a.

*Second Schedule NJ-COJ:* Indicate the jurisdiction as "city Y," and enter \$20,000 on line 1. This amount is the difference between the total amount taxed by city Y (\$140,000) and the amount that was already included on the first Schedule NJ-COJ (\$120,000). Box 9a will be \$800, the tax paid to city Y on \$20,000 of income.

**S Corporation Income.** If you paid income or wage taxes to another jurisdiction on S corporation income that was also subject to New Jersey tax in the same tax year, you may be eligible for a credit. However, you **cannot** claim a credit for:

- Tax imposed by another jurisdiction on S corporation income allocated to New Jersey.
- Taxes paid or accrued on or measured by profits or income imposed on or paid on behalf of another person.
- Taxes attributable to distributions.

**Income From New York.** When claiming a credit for taxes paid to New York, the amount on line 1 must reflect the "New York State Amount" actually taxed by New York from the New York IT-203. Certain adjustments may be necessary to determine the income actually taxed by New York. If you are subject to the New York tax on lump-sum distributions, complete separate Schedule NJ-COJs for the ordinary income and the lump-sum distribution.

**Income From Philadelphia.** The amount of income taxable to Philadelphia may be different from the State wages on your W-2. Complete the following to determine the amount to enter on line 1.

A.Philadelphia Wage Tax Paid\* Philadelphia Wage Tax Rate

B. Amount of Philadelphia wages included on line 15, NJ-1040

Enter on line 1 the lesser of A or B.

\*If you filed a Philadelphia Petition for Wage Tax Refund, you must subtract your refund from the Philadelphia wage tax paid.

Information about the Philadelphia wage tax rate is available on the City of Philadelphia's website at phila.gov.

**Sole Proprietorships and Partnerships From Philadelphia.** If you are a sole proprietor or partner in a partnership whose income is subject to Pennsylvania income tax and Philadelphia business income and receipts tax and net profits tax, you must consider the taxes paid (based on income) to all jurisdictions when calculating the credit. The Philadelphia business income and receipts tax imposes two taxes, one based on income and one based on gross receipts. Only the tax imposed based on income qualifies for the credit calculation.

**Part-Year Residents.** Enter on line 1 only the income derived from the other jurisdiction during the period of time you were a New Jersey resident. The income must be actually and properly taxed both by the other jurisdiction and New Jersey.

#### Line 2 – Income Subject to Tax by New Jersey

Enter the amount of income reported on line 29, Form NJ-1040.

#### Line 3 – Maximum Allowable Credit Percentage

Divide line 1 by line 2 and enter the percentage on line 3. Carry your results to seven decimal places, rounding up if the seventh place is 5 or more. Since line 1 cannot be more than line 2, the result will be 100% or less.

If you are not eligible to claim a Property Tax Deduction or Property Tax Credit, only complete column B.

#### Line 4 – Taxable Income

For each column, enter on line 4 the amount from line 37, Form NJ-1040.

#### Line 5 – Property Tax and Deduction

Qualified homeowners or tenants (see eligibility requirements on page 23), enter the following information:

Box 5a: Enter the amount from line 1 of Worksheet H (see page 28).

Column A (Line 5): Enter the amount from line 2 of Worksheet H.

#### Line 6 – New Jersey Taxable Income

For each column, subtract line 5 from line 4 and enter the result.

#### Line 7 – Tax on Line 6 Amount

For each column, enter the tax due on the income entered on line 6. Use the Tax Table on page 52 or the Tax Rate Schedules on page 61 to calculate the amount of tax due. If you are completing only column B, the amount on line 7 should be the same as the amount on line 41, Form NJ-1040.

#### Line 8 – Allowable Credit

For each column, multiply the amount on line 7 by the percentage on line 3 and enter the result.

#### Line 9 – Credit for Taxes Paid to Other Jurisdiction

**Box 9a:** Enter the income or wage tax paid to the other jurisdiction on the income shown on line 1. This amount is the total tax liability to the other jurisdiction from the other jurisdiction's tax return, or if the other jurisdiction does not require the filing of a tax return, the amount may be the taxes withheld for the jurisdiction.

If you adjusted the income on line 1 of this schedule, enter only the tax paid on the adjusted amount.

For each column, enter on line 9 the lesser of line 8 or the amount in box 9a.

If you are eligible for a Property Tax Deduction or Credit, complete Worksheet I on page 34 (part-year residents, see below).

If you are not eligible for a Property Tax Deduction or Credit, enter the amount from line 9, column B on line 42, Form NJ-1040. If you completed more than one NJ-COJ, enter the total of the amounts from line 9, column B. Leave lines 39 and 55 blank.

For more information, see GIT-3W, Credit for Income Taxes Paid to Other Jurisdictions (Wage Income), or GIT-3B, Credit for Income Taxes Paid to Other Jurisdictions (Business/Nonwage Income).

**Part-Year Residents.** You can claim a deduction or credit for property taxes or 18% of rent due and paid during the time you were a resident. When completing line 5, Worksheet I, prorate the \$50 (\$25 if you and your spouse file separate returns but maintained the same principal residence) based on the number of months you occupied your New Jersey residence. Compare the prorated amount to line 4, Worksheet I, and if the credit is more beneficial, enter the prorated amount on line 55, NJ-1040.

# Line 44 – Child and Dependent Care Credit

The Child and Dependent Care Credit is available to certain taxpayers who have earned income and paid someone to care for a qualifying person so they can work or look for work.

To qualify, you must be allowed a federal credit for child and dependent care expenses and have taxable income on line 40 of \$60,000 or less. If your filing status is married, filing separately, you are only eligible for the credit if you meet certain exceptions for federal purposes.

Use Worksheet J on page 35 to calculate the amount of your credit.

**Part-Year Residents.** You must prorate your credit based on the number of months you were a New Jersey resident.

**Civil Union Couples.** If you are filing a joint New Jersey return and one or both of you are allowed a federal credit for child and dependent care expenses, you may also be able to receive a New Jersey Child and Dependent Care Credit. If your filing status is married, filing separately, you are only eligible for the credit if you meet certain exceptions for federal purposes.

If you file a joint federal return, use Worksheet J to calculate the amount of your New Jersey credit.

If you did not file a joint federal return, prepare a federal return as if you were married, filing jointly, and calculate the amount of the federal credit for child and dependent care expenses you would have been eligible to receive. Use that amount on Worksheet J to calculate your New Jersey credit. Fill in the oval below line 44 indicating you are a civil union couple.

#### Line 50 – Use-Tax Due on Internet, Mail-Order, or Other Out-of-State Purchases

When you buy taxable items or services to use in New Jersey, you owe Use Tax if:

- You do not pay Sales Tax; or
- You pay tax at a rate less than New Jersey's 6.625% rate.

This commonly happens when you make purchases online, by phone or mail order, or outside the State.

Use Worksheet K to calculate the amount to report. If you do not have any Use Tax to remit, you must enter "0.00" on this line.

For more information about taxable items and services, see S&U-4, *New Jersey Sales Tax Guide*. For more information about Use Tax, see publication ANJ-7, *Use Tax in New Jersey*.

#### Line 51 – Interest on Underpayment of Estimated Tax

New Jersey Income Tax is a pay-as-you-go tax. You must pay tax on your income as you earn or receive it. If you did not pay enough tax on your income throughout the year, you may have to pay installment interest.

Installment interest may be charged if:

- Your total tax is more than \$400 (after subtracting withholdings and other credits); **and**
- You did not pay (by withholdings or estimated payments) at least 80% of your tax liability during the year.

To calculate the amount of interest for the underpayment of estimated tax, complete Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates, or Trusts. Enter on line 51 the amount from line 19, Form NJ-2210, and fill in the oval.

The NJEITC is a credit for certain taxpayers who work and have earned income. It reduces the amount of tax you owe and can give you a refund. To be eligible for the NJEITC, you must claim and be allowed a federal earned income credit (EIC). You are not eligible for the NJEITC if your filing status is married filing separately.

New for The NJEITC is 39% of the federal EIC. Calculate as follows and enter on line 57:

Federal earned income credit \_\_\_\_\_ x .39 = \_\_\_\_\_

If you asked the IRS to calculate your federal EIC, leave line 57 blank. Fill in the first oval below the line. The IRS will provide information about the federal EIC no earlier than October 2020. Civil union couples should not fill in the first oval (see below).

Civil Union Couples. If you are filing a joint New Jersey return and one or both of you claim and are allowed a federal EIC, you also might be able to receive the NJEITC. If you are filing separate New Jersey returns, you are not eligible for the NJEITC.

If you file a joint federal return, use the calculation above to determine the amount of your NJEITC.

If you did **not** file a joint federal return, prepare a federal return as if you were married, filing jointly, and then calculate the amount of the federal EIC you would have been eligible to receive. Use that amount to calculate your New Jersey credit above. Fill in only the second oval below line 57 indicating you are a civil union couple.

**Note:** You may be asked to provide documentation to support your claim. For more information on the program, visit our website at *state.nj.us/treasury/taxation/eitcinfo.shtml*.

**Part-Year Residents.** You must prorate your credit based on the number of months you were a New Jersey resident.

Complete Form NJ-2450 to calculate the excess contributions and report as follows:

#### Signature

Sign and date your return in blue or black ink. Both spouses must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. We cannot process a return without the proper signatures and will return it to you. This causes unnecessary processing delays and may result in penalties for late filing. If you are filing on behalf of a deceased taxpayer, see "Deceased Taxpayers" on page 46.

#### **Driver's License Number**

Enter your Driver's License or state Non-Driver Identification Card number. Providing this information is voluntary. We may use this information to validate your identity in our effort to combat identity theft and fraudulent filing.

## Don't Need Forms Mailed to You Next Year?

If you do not need a booklet mailed to you next year, fill in the appropriate oval below the signature line.

#### **Paid Tax Preparer Information**

If you want a Division of Taxation representative to discuss your tax return with the person who signed your return as your "Paid Tax Preparer," fill in the oval above the preparer's signature line to give your permission.

#### **Tax Preparers**

Anyone who prepares a return for a fee must sign the return as a "Paid Preparer" and enter their Social Security number or federal preparer tax identification number. A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

**E-File Mandate.** Preparers that reasonably expect to prepare 11 or more individual resident Income Tax returns (including those filed for trusts and estates) during the tax year must use electronic methods to file those returns if an electronic filing option is available. A tax preparer is liable for a penalty of \$50 for each return they fail to file electronically when required to do so.

**Opting Out of Electronic Filing.** If your tax preparer is required to file all returns electronically but you want to file a paper return, you can opt out by enclosing Form NJ-1040-O, E-File Opt-Out Request Form, with your paper return. Both you and your preparer must sign the form, and your preparer must fill in the oval above their signature on your return to indicate that Form NJ-1040-O is enclosed.

#### How to Pay

You can make your payment either electronically (e-check or credit card) or by check or money order. Payments must be postmarked or submitted electronically by April 15, 2020, to

44

avoid penalty and interest charges. If you are paying a balance due for 2019 and also making an estimated tax payment for 2020, make a separate payment for each transaction. If you owe less than \$1, you do not have to make a payment.

**Check or Money Order.** There is a payment voucher (Form NJ-1040-V) at the front of this booklet. Do not use the preprinted voucher if any information is incorrect. Instead, complete a blank voucher, which is available on our website at *njtaxation.org*.

Make your check or money order payable to State of New Jersey – TGI. Write your Social Security number on the check or money order. If you are filing a joint return, include both Social Security numbers in the same order the names are listed on the return. Send your payment for the balance due with the voucher in the same envelope with your tax return. (See "Where to Mail Your Return" on page 45.)

**Electronic Payments.** Do not send in the payment voucher if you are paying electronically. When making your payment, you must enter the Social Security number and date of birth of the first person listed on the tax return or your account will not be properly credited.

- Electronic Check (e-check). You can have your payment directly withdrawn from your bank account using our online e-check service. This option is available on our website at *njtaxation.org*. If you do not have internet access, you can make an e-check payment by contacting our Customer Service Center or by visiting a Regional Information Center. (See page 62 for phone numbers or addresses.)
- Credit Card (Processing Fees Apply). You can use an American Express, Discover, MasterCard, or Visa credit card to make your payment. This option is available on our website (*njtaxation.org*) or by phone (1-888-673-7694). You can also pay by credit card by contacting the Division's Customer Service or by visiting a Regional Information Center. (See page 62 for phone numbers or addresses.)

#### **Penalties and Interest**

If you do not file your return or make your payment on time, we may charge you the following penalties and interest:

- Late Filing Penalty. When you file a return after the original or extended due date, we will assess a penalty of 5% per month (or part of a month) up to a maximum of 25% on the outstanding tax balance. You may also be charged a \$100 penalty for each month the return is late.
- Late Payment Penalty. When you pay after the filing deadline, you may be charged a 5% penalty on the outstanding balance.

• Interest. We will assess interest at an annual rate of 3% above the prime rate each month (or part of a month) the tax is unpaid. At the end of each calendar year, any tax, penalties, and interest remaining unpaid will become part of the balance on which interest is charged. See Technical Bulletin TB-21(R) for current and previous years' interest rates.

#### Where to Mail Your Return

Use the envelope in your booklet to mail your NJ-1040, related enclosures, payment voucher, and check or money order for any tax due. Send only one return per envelope. On the envelope flap are preprinted address labels. To mail your return properly:

- 1. Remove all labels from envelope flap along perforations; and
- 2. Attach only the correct label to the front of the envelope.

State of New Jersey Division of Taxation Revenue Processing Center – Refunds PO Box 555 Trenton NJ 08647-0555

#### **Military Personnel**

A member of the Armed Forces whose home of record (domicile) is outside New Jersey does not become a resident of this State when assigned to a duty station here. They are a nonresident for Income Tax purposes.

A member of the Armed Forces whose home of record (domicile) is New Jersey is a resident for Income Tax purposes unless they are stationed outside New Jersey and maintain an apartment or a home (either owned or rented) outside New Jersey completely with out-of-pocket payments.

As a New Jersey resident, you are subject to tax on all income, regardless of where it is earned, unless the income is specifically exempt from tax under New Jersey law. You must report your military pay, including combat pay, as taxable income on your return. Military pensions, mustering-out payments, subsistence and housing allowances are exempt.

#### **Death Related to Duty**

When a member of the Armed Forces serving in a combat zone or qualified hazardous duty area dies as a result of wounds, disease, or injury received there, no Income Tax is due for the year the death occurred, or for any earlier years served in the zone or area.

#### **Spouses of Military Personnel**

Federal law allows spouses of military personnel to choose the same legal residence as the service member for state and local tax purposes. The spouse does not have to actually live in the state or live with the service member spouse during the year.

If your spouse is a member of the military and you live in New Jersey but choose a different state as your legal residence, you are not subject to tax on wages earned in New Jersey and you should not file Form NJ-1040. However, if you had other types of income from New Jersey, or if you had New Jersey tax withheld in error, or made estimated payments, you should file a New Jersey Nonresident Income Tax Return (Form NJ-1040NR.)

For more information on military spouses, see GIT-7, *Military Personnel*.

#### **Military Extensions**

If you are not be able to file on time because of distance, injury, or hospitalization as a result of being on active duty with the Armed Forces of the United States, you will automatically receive a six-month extension by enclosing an explanation when filing the return.

**Combat Zone.** New Jersey allows extensions of time to file Income Tax returns and pay any tax due for members of the Armed Forces and civilians providing support to the Armed Forces serving in an area that has been declared a "combat zone" by executive order of the President of the United States or a "qualified hazardous duty area" by federal statute.

Once you leave the combat zone or qualified hazardous duty area, you have 180 days to file your tax return and pay tax due.

In addition, if you are hospitalized outside New Jersey as a result of injuries you received while serving in a combat zone or qualified hazardous duty area, you have 180 days from the time you leave the hospital or you leave the combat zone or hazardous duty area, whichever is later.

No interest or penalties will be assessed during a valid extension for service in a combat zone or qualified hazardous duty area. This extension also applies to your spouse if you file a joint return. Enclose a statement of explanation with your return when you file that includes the reason for the extension.

For more information on military personnel, see GIT-7, *Military Personnel*.

#### **Deceased Taxpayers**

If a person received income in 2019 but died before filing a return, the surviving spouse or personal representative (executor or administrator of an estate or anyone who is in charge of the decedent's personal property) should file the New Jersey return.

**Filing Status.** Use the same filing status that was used on the final federal income tax return, unless the decedent was a partner in a civil union. (See "Filing Status" on page 5.)

#### Name and Address

- *Joint return*. Write the name and address of the decedent and the surviving spouse in the name and address fields. Print "Deceased" and the date of death above the decedent's name.
- *Other filing status.* Write the decedent's name in the name field and the personal representative's name and address in the remaining fields. Print "Deceased" and the date of death above the decedent's name.

**Exemptions and Deductions.** Prorate exemptions and deductions only if the decedent was a New Jersey resident for part of the year and a nonresident for part of the year.

#### Signatures

- *Personal representative*. A personal representative filing on behalf of a deceased taxpayer must sign the return in their official capacity. If it is a joint return, the surviving spouse also must sign.
- *No personal representative*. If filing a return when there is no personal representative for the deceased, the surviving spouse signs the return and writes "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" in the signature section.
- *No personal representative and no surviving spouse.* If there is no personal representative and there is no surviving spouse, the person in charge of the decedent's property must file and sign the return as "Personal Representative."

If there is a refund due and you want us to issue the check to the decedent's surviving spouse or estate:

- Enclose a copy of the decedent's death certificate (if an estate, also include the Surrogate's Short Certificate); and
- Fill in the oval below the signature line.

46

**Income in Respect of a Decedent.** If you had the right to receive income that the deceased person would have received had they lived, and the income was not included on the decedent's final return, you must report it on your own return when you receive it. Include the income on line 26 as "Other" income.

#### **Amended Returns**

File an amended return, Form NJ-1040X, and pay any tax due if:

- You receive an additional tax statement (W-2 or 1099) after filing your return; or
- You find that you made a mistake on your previously filed return; or
- There are any changes in your federal income tax (e.g., federal earned income credit or credit for dependent and child expenses). The amended resident return, Form NJ-1040X, must be filed within 90 days.

#### After You Complete the Form

- Do not staple, paper clip, tape, or use any other type of fastening device.
- Check name, address, Social Security number, and county/municipality code for accuracy.
- Send only one return per envelope.
- Enclose all supporting documents, forms, and schedules.
- Keep a copy of your return and all supporting documents, schedules, and worksheets until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

• If you filed your original return and need to make changes or correct mistakes, you must file an amended return (NJ-1040X). Do not refile Form NJ-1040.

#### **Privacy Act Notification**

The Division of Taxation uses your Social Security number primarily to account for and give credit for tax payments. We also use Social Security numbers to administer and enforce all tax laws for which we are responsible. In addition, the Division is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and Social Security numbers of individuals who file a New Jersey tax return or Property Tax Credit/Wounded Warrior Caregivers Credit application. This list will be used to avoid duplication of names on jury lists. The Division also is required to transmit to the Department of Human Services (DHS) annually information from New Jersey tax returns that will permit DHS to identify individuals who do not have health insurance and who may be eligible for Medicaid or the NJ FamilyCare program.

#### Federal/State Tax Agreement

The Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange Income Tax information in order to verify the accuracy and consistency of information reported on federal and New Jersey Income Tax returns.

#### **Fraudulent Return**

You may be liable for a penalty up to \$7,500, or imprisonment for three to five years, or both, if you deliberately fail to file a return, file a fraudulent return, or attempt to evade paying your tax.

## **Taxpayers' Bill of Rights**

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include:

#### Service-

- Division must respond to taxpayers' questions within a reasonable time period.
- Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures.

#### Appeals-

• Time to appeal to the Tax Court is generally 90 days.

#### Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You can request that your overpayment of this year's tax be credited towards next year's tax liability; however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, see publication ANJ-1, New Jersey Taxpayers' Bill of Rights.

## **Senior Gold Prescription Discount Program**

Senior Gold Prescription Discount Program (Senior Gold) is a State-funded prescription program that helps eligible residents pay for prescribed legend drugs, insulin, and insulin supplies.

#### **Eligibility Requirements**

You are eligible for Senior Gold if you meet the following requirements:

- You are a New Jersey resident;
- You are 65 or older **or** you are 18 or older *and* receiving Social Security Title II Disability benefits (you do *not* qualify if you are under age 65 and receiving these benefits on behalf of someone else);
- You meet certain income limits. The annual income limits for 2019 were between \$27,951 and \$37,951 if you are single or between \$34,268 and \$44.268 if you are married or in a civil union (NOTE: these limits may change for 2020); and
- If you are Medicare-eligible, you are required to enroll in a Medicare Part D Prescription Drug Plan of your choice. You will be responsible for paying the monthly premium directly to the Medicare Part D plan. You also will be responsible for paying any late enrollment penalty imposed by Medicare for each month you were eligible to enroll in Medicare Part D but did not enroll.

#### Benefits

Senior Gold helps eligible New Jersey residents pay for prescription drugs, insulin, insulin needles and syringes, and needles for injectable medicines used for the treatment of multiple sclerosis. Only drugs approved by the Food and Drug Administration are covered. Drugs purchased outside the State of New Jersey are not covered, nor is any pharmaceutical product whose manufacturer has not agreed to provide rebates to the State of New Jersey. The Senior Gold card works together with Medicare Part D Prescription Drug Plans. Senior Gold can reduce out-of-pocket expenses associated with participation in Medicare Part D.

#### Where to Get Information

For more information about the Senior Gold program, call 1-800-792-9745 or visit the Department of Human Services' website at: www.state.nj.us/humanservices/doas/home/ seniorgolddetail.html
