NEW JERSEY OFFICE OF THE SECRETARY OF
HIGHER
EDUCATION

To:	Institutions of Higher Education
From:	NJ Office of the Secretary of Higher Education
Date:	November 17, 2023
Subject:	New Resources on Artificial Intelligence from Complete College America

Artificial intelligence (AI) continues to impact society, including the higher education sector. As institutions and the State work to study AI, its impact, and make recommendations on implications into the future, the Office of the Secretary of Higher Education would like to share new AI resources created by and available from Complete College America (CCA). The resources include:

- *Attainment with AI: Making a Real Difference in College Completion with Artificial Intelligence*; and
- *The AI Divide: Equitable Applications of AI in Higher Education to Advance the Completion Agenda*.

Additional details regarding the resources are available on CCA's website: https://completecollege.org/resource/complete-college-america-releases-ai-resources-to-transform-equitable-student-success-and-postsecondary-attainment/

For more information about New Jersey joining the CCA Alliance, please see "New Jersey Joins National Coalition Working to Boost Timely Degree Completion."
