Subject: Notice of Grant Opportunity: Fiscal Year 2024 ‘Some College, No Degree’ Grants

The New Jersey Office of the Secretary of Higher Education (OSHE) remains committed to re-engaging students who may have some college credit, but no degree, to re-enroll and successfully complete. In recognition of the time and resources necessary to successfully serve this critical population, OSHE is pleased to announce the Fiscal Year 2024 (FY24) Some College, No Degree (SCND) Grant. The grant aims for institutions to build capacity, address institutional barriers to re-enrolling and completing, foster innovative ways to serve SCND students, and enhance the statewide SCND initiative.

To support the unique and diverse needs of our New Jersey SCND students, the grant program will require two components: 1) student-focused incentives; and 2) institution-focused funding. This grant opportunity is open to New Jersey public institutions of higher education and independent-public mission institutions of higher education that receive State operating aid.
