Subject: Seeking Submissions: New Jersey Students' College Success Stories

Know a student who was able to attend college with the support of state financial aid or another statewide student support program or resource?

As part of a new campaign for social media, the Office of the Secretary of Higher Education (OSHE) is seeking written and video submissions from students. We want to hear from students about how various supports are helping them on their college journey. Selected submissions will be featured on OSHE's social media platforms (@njhighered).

Submissions are being accepted on an ongoing basis via the following link:

Examples of state financial aid, programs, and resources include:

- *Community College Opportunity Grant (CCOG)*
- *Garden State Guarantee (GSG)*
- *Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)*
- *Educational Opportunity Fund (EOF)*
- *Some College, No Degree / MyDegree.NJ.gov*
- *Career Accelerator Internship Grant Program*
- *Mental Health Supports from Uwill*
